Homecoming 1978

The theme for this year's Homecoming was *Circus;* each activity of the week involved the circus life of the midway. On Tuesday students could give faculty members a cold water bath in the ball toss for a quarter. On Wednesday an old junk car was decorated with the Mendel insignia for a Monarch smash. Thursday was Orange and Clown Day and concluded with a Pep Rally at the end of the school day. Friday night brought the long-awaited Homecoming Dance. The Homecoming Queen was Miss Nadine Paglini; she was escorted by Senior Scott Drnek. Music for the evening was performed by *Emerald.* On Saturday the football team crushed Mendel 42-0 for a Homecoming victory.

Challenge of the Sexes: GT vs Good Counsel

This year the Student Council arranged a competition with Good Counsel High School: Challenge of the Sexes. Students who participated in the event could not be varsity players in the sports.

This was the first year that Gordon participated in such an event; however, we were given no cause to worry. Students competed in eleven rounds of events in Volleyball, Relay-race, Tug-of-war, Skateboard, and Basketball. The Volleyball and Basketball competition were class contests. Gordon easily took 8 of the 11 events showing its power to the crowd in the overpacked Good Counsel gymnasium.

Mike Rice and Ted Novak compete in the scooter race.

Resurrection Center Coed Retreats For Seniors

Each senior relig on class makes a two day retreat at Resurrection Cente. in Woodstock, Illinois. From the time they arrive until they leave their time is filled with profitable activities.

The purpose of the retreat is to provide seniors with a setting for prayer and reflection on their daily lives and their future. To facilitate this the setting is removed from the school building to provide a different point of view. The retreats are coeducational; girls from such Catholic high schools as Queen of Peace and Marillac make their retreats with Gordon seniors.

While many students are reluctant to go up to Woodstock almost everyone comes back with positive ideas about the retreat, the retreat staff, and themselves.

The staff of Resurrection center is headed by Fr. Jim Schultz, formerly a counselor at Gordon; Mr. Jim Ivers who taught Religion at Gordon is a member of the team.

Chuck Shipan and Dave Marino play ping-pong during their break.

Boehm's Light Communication Project Wins Fair

On January 30, 1979 the annual Science Fair took place in the 900s. Mr. Howard Jenewein coordinated this effort for the Science Department. Out of all those who entered their projects four seniors and one freshman won awards.

John Boehm received the Outstanding Award for his project on Light Communication; he later went on to win the top award in electronics in the IJHS Region 2 Science Fair at the Museum of Science and Industry.

Jim Caruba won a First Award for his project on the velocity of light; he later took the top Physics award at the IJHS Fair. Harry Spee's project on Microwave Communication and Scott Drnek's on Fish Communication also won First Awards.

Freshman Robert Sholtes received an award for his project on Oblique Winged Aircraft.

Senior Prom

May 4, 1979

Starting late, the Senior Prom Committee tried to adjust to the problems of fulfilling all its needs. Traditions had to be broken: one band, *Chameleon*, a different place, the Ramada Inn O'Hare; and the use of two rooms and two dance floors.

People started arriving early and filled up the tables before dinner was served. The menu for the evening consisted of Prime Rib of Beef and Cherries Jubilee Flambe. After everyone was finished eating Fr. Helminski announced the Prom Queen and her Court. This year's queen was Miss Joni Bied, who was escorted to the Prom by Pete Tapling.

Chameleon started playing about 10:00 P.M. with the theme of the Prom, "Just You and Me." The dance floor filled up and stayed that way with the diehards still going when everything ended at 2:30 A.M.

Andy Wroblewski and his date make their entrance.

Graduation

Graduation exercises began on May 31, 1979 with the traditional Mass for the departing senior class. The con-celebrated liturgy took place in the gymnasium with Fr. Francis Rog, the Provincial of the Chicago Province of the Congregation of the Resurrection, as the principal celebrant. The other concelebrants included the priests of Gordon Tech and friends and relatives of graduating seniors. Seniors were seated with their parents in assigned homeroom locations. At the conclusion of the Mass the senior members of the National Honor Society received their gold tassels and collars.

The Graduation Ceremony was held in the Arie Crown Theatre of McCormick Place at 9:30 A.M. on Saturday, June 2, 1979. The Commencement Speaker was Fr. George Clements, the pastor of Holy Angels Parish in Chicago. Fr. Clements is a nationally known clergyman whose parish school is widely known for its excellence. He spoke of "Roots". He asked the graduates to reflect on their own roots: family and academic. Parents of the graduates were asked to applaud their "strong, young, oak trees." The graduates were then asked to give their parents, their "roots", a round of applause.

At the end of the address, diplomas were given out. When that was completed, awards were given to seniors for perfect attendance, high academic standing, and proficiency in the various subjects. The ceremony concluded with Fr. Rog leading all present in the Resurrectionist Prayer. Music for the ceremony was provided by the Gordon Tech Concert Band.

If there ever was a definition of the idiom, "in like a lion out like a lamb", the 1978 Gordon Tech football team was it. I expected them to have a good season. They started the season off with 5 impressive wins, which led to the belief that there would be a fantastic season. But come the end of the final game, their record was 5-4. Where did they go wrong. After the fifth game of course. Perhaps this is too confusing, allow me to tell you a story.

Not so long ago, and not so far away, there was a king. Along with the king were his court, his jesters (of which I was one), and his soldiers. The king and his companions ventured forth to be the leaders on the field of battle.

It was a hot August day when the king gathered his group of soldiers, he told them to become "football players". They did not understand, so he told them that every day for the next two weeks, they were to report to the dressing quarters of his castle (*Manore de Gordone*) at 7:30. When they were clothed, they were to report to the courtyards, at the *Fields of Horner*. After a few hours of grueling contact, the soldiers reported back to the environs of the castle. They lunched with the king and his court, and then retired with one of these fine gentlemen to separate round tables to discuss the regulations of this game the king called "football". At the conclusion of these meetings, the players were always anxious to get back to the courtyard and practice what they had discussed. (The king, for some reason, called the courtyard a "gridiron", I do not know why.) Once back on the gridiron the players had more instruction and more kind words from the king and his court so they could learn. After this bit of education, the players would pick up their armor at the castle, and return home to their own parts of the kingdom for a night's rest. Thus, for 2 weeks, the soldiers met at the castle early each morning and left late each evening, and at the end, only the toughest and most loyal were left, so the king made a speech.

"You are the sheep, I am the shepard, I will lead you to gold at the end of the rainbow. We shall be the mightiest of armies. But if alas, we are not the best, we will have tried the hardest. You have come to me as boys, and if nothing else, you will leave as men."

The soldiers were moved by the king's speech, and vowed to obey him. It is time, I think, to define the manner of the king and his court. They are wise and learned men, and if you do not obey them, you shall be punished. But punishment was never delivered undeserved and the punishment always fit the crime. These men were authoratative figures, though not too good to listen to the lowest of the soldiers or jesters, the heart quick as the mind. The court always listened to the king, he was not always right, but he was never wrong, and he treated his subjects fairly. Thus, his soldiers would not always agree but would always obey.

A few more weeks went past, and

the players practiced every day together, getting to know each other very well and becoming more than friends. It was now that the king made another speech.

"We have been together for over a month now." he said, and have done many things as a team. We cannot win as individuals, only as a team can we be triumphant. We are a good team and we perform well together. From now on we will refer to ourselves as the Rams, the mighty Gordon Tech Rams. In just one week we will do battle against the first of many foes, only after this battle may we judge ourselves."

It had finally arrived, the time referred to as "game week," for these battles were called "games". The players felt they were ready, there was definitely not a lot of size, but there was more desire in this army than in any army past and present. The first foe was to be the Shamrocks of St. Patricks. Would we be ready for them?

Game night had arrived, and the team was now a refined and synchronized machine, entered the forum, Hansen Stadium. The soldiers had prepared for weeks, they were ready, the final score showed the proof. The Rams had defeated the Shamrocks 23-0. Many men from the army stood out, too many to be mentioned here. They were a team, no one really cared about individual publicity.

At any rate, the king was pleased, and so was his court. But he would not live on past glories, it was done, another battle lie ahead. The Crusaders of the Holy Cross were the next opposition. Foul things were

afoot on the day of this battle. The rains came but the field was like cold porridge, but the Rams were not to be hindered. They rose from the mush to put down the Crusaders 7-0.

Again the king was pleased, he was being given many gifts, but the next week's battle was very important. It was called Homecoming. This is the battle to which all of the kings subjects are invited to see the army perform. Mendel's gathering of Monarchs was the competition for this contest. The final score was 42-0, and I must single out Jeffrey Ratacjzak, who had an absolutely tremendous game, aided, of course, by the rest of the team.

The king was very proud of his men. They had won 3 of 3 battles, had not been scored against, and were

working together. But there was more to come. The next battle was to be against St. Francis de Sales. The team remained undefeated, but they did not look as well this week as in weeks past. The score was 33-12, although there were shakey moments in the game.

A week later was the battle against the De La Salle Meteors. This game, too, was won, but at a very high price. You see, this game of football is very rough, and the inevitable happened. Some of the more proficient soldiers were wounded, and this hurt the team as a whole both mentally and physically.

The next game pitted the Rams against the Friars from the kingdom of Fenwick, and, alas, the first battle was lost, 28-6. The king was not displeased at first, merely puzzled. Puzzled at how his team had stopped acting as a team. There were 3 weeks left, 3 battles left. The first which was against the Brothers of Rice. The Rams battled fiercely, but to no avail. They could not get things to fall their way. They lost again 17-6.

Then, what was to be the climax of the season, the game battles against the Red Horde from the dukedom of Weber. It was a back and forth game neither team could move the other. The beginning of this game showed some rejoining of the team.

Finally, the Rams scored. The attempt for 1 extra point was good, we led 7-0. The battle raged on. Then the Reds scored. It was 7-6 and the Horde set up for 1 point conversion

to tie the game. It was a fake, and 2 points were scored. Weber led 8-7. But there was time left; and in the closing seconds of the game, the Rams were in a position to score. The king was under pressure, but also under control. On 4th down, the king decided to attempt a field goal from the right hash mark. It was wide left, and the Rams lost again. It seemed time to give up, but the king would not let them.

One more contest, one chance to perform together as a team. It was against the Ramblers of Loyola Academy. The Rams jumped out to a 12-0 lead, but just before the half - time break, havoc struck. Hell broke loose, and the Ramblers scored several points in the last two minutes of the first half. It was downhill from there. The Rams lost the final contest 20-12.

team, and shared the good times and bad.

The king now gave his final speech. He said, "We have spent 4 months together, we have had good times and bad, have laughed and cried. Sometimes during the year, I know I have done you wrong, and I am sorry. I can only thank you. I can only hope that you have learned something. I can justly say I am proud."

But that was not so long ago and not so far away, but there are things that were learned. We can say now, looking into the past, that we did try. From all of the soldiers in the army, I would like to thank the king for those lessons learned, and for turning out men.

Finally I would like to give my personal thanks to the king and his court. They were always king and court, and they always will be: just as we will be all the king's men.

Soccer Varsity

It began in late August. Following the long summer we met again to form a "soccer team." For two grueling weeks we ran, sweated, and drilled for hours. But an inner pride that we all felt was beginning to enter us. Our team had traditions to keep and a reputation for winning.

The Gordon Tech soccer team was a true melting pot of nations. We had to form: Germans, Poles, Ukranians, Italians, Mexicans, Brazilians, Croations, Yugoslavs, Vietnamese, Frenchmen, Iranians, Scotsmen, Britians, Irishmen, Romanians, Czechoslovakians, Japanese, and a Syrian into a "team." But we worked together well, even in those early practices we found we played well together. Coach Chmela drilled us in basics and higher skills. We then moved to small games of ball control and handling. We had lost many superstars, now we had to work as a team. As our minds and bodies sharpened themselves for the season opener, our skill as a team improved. Every player began noticing it, a certain *dejá vu* had invaded us. The forwards knew when to pass back to the halfbacks, who were always there. The passes were perfect, the defense knew just where to put the long passes for the breakaway goals. As we developed as a team, we developed as friends. After practice we would go to parties and dances. We worked as one unit of players on the field and off the field.

Our first game was at hand. We

faced Hinsdale South in the first of 3 games in the Hinsdale Central Tournament. The power was there as the Rams booted 7 goals for the 7-2 win. The next team to be beaten was Hinsdale Central. The score was tied 1-1 at the half. Late in the contest the Rams kicked a goal to capture the win 2-1. The last game pitted St. Rita against us. We soundly defeated them 4-0, winning the Hinsdale tournament for the second consecutive year. On the bus ride home there was not a moment of silence as everyone cheered and yelled for our performance. The sweat and work had payed off.

There were some outstanding performances handed in by Wally Chimiak, Mike Duffy, George and Joe Ganshirt, and Luke Planninic.

We then returned home to hand York a 4-1 loss on a beautiful Saturday morning with everyone playing smart soccer. After the game Coach Chmela reminded us that we must stay tough to make it to the state tournament.

We travelled to Cicero to take on suburban powerhouse Morton East. The game was tough as we see - sawed back and forth with the defenses holding their ground. But after the half break, the Ram booters knocked home 2 quick ones, and held the lead to win their 5th straight 2-0. Our defense with George Ganshirt, and Mark Hammerschick in

nets proved themselves proudly.

Our next opponent state contender Quigley South. On a dreary afternoon we took the field too loose and overconfident. At the half the score was 2-0, the Rams were down. But we just would not or could not quit. We fought and bombarded South's goalie with shots. Finally we scored and all hell broke loose as we were jubilant. We continued our fierce playing and in the last quarter tied the game at 2. But that was to be all as we settled for the 2-2 tie.

We opened the Catholic league with 2 wins against St. Lawrence, and Loyola by scores of 4-0 and 4-1 respectively. The players had proved they could work together. We did not just play our 11 starters every game, we used 16-19 players per game. This gave the substitutes valuable playing time, who would be sorely needed later in the season when injuries began plaguing us. That is the single most destructive force of any sport - injury. Sometimes it just can not be prevented.

Our next game was a joke as we laughed out Niles East 6-0 with forwards and halfbacks: Planninic, Duffy, Ghods-MoFidi, Schmalz, Chimiak, Libreros, Lopez, and Kondryszyn working for the scores. Of these 8 offensive teammates, all 8 were from a different Country. The defense held the shutout with goalie Mark Hammerschick capturing his 4th of 13 seasonal shutouts. George Ganshirt headed the Defensive play well.

listening to the captains, they had the final word on the field. "Georgemer", "Duff", and "Hammer", as they were known, led the team on and off the field.

Soccer heads were beginning to turn. How could Gordon win without superstars? They were doing it and well. We played our opponents tough and we hustled to the ball. We were also a small and quick team, every player was a seasoned player with experience from off - season leagues to guide them. Teams in the Chicago leagues such as: Green - White, Kickers, Maroons, Wings, Croations, H. - F. United, and the Schwaben developed our skills through winter, spring and summer so we could be ready for the high - school leagues in the fall.

Our pride was on the line, our team was out to capture an unprecedented 4th consecutive Catholic League title. We had to do it, and everyone knew it.

We hit the road to travel to Catholic League matches that were needed to keep our spirits riding high.

We met Brother Rice but fell flat. The game ended in a 1-1 tie. We were broken, as everything that could go wrong did. Our luck just was not there as we luckily came back once again to muster a tie in the late going.

We then handed the Meteors of De La Salle a 4-2 defeat despite some sloppy play by the Rams on a horrible field.

After the win we went south to the environs of Marquette Park to play St. Rita. They surprised us as there was no score at the half. We came out shooting in the second half, but the Rita goalie foiled all of Duffy's, Chimiak's and Planninic's shots on goal. Finally we connected and scored. Our defense held with us winning 1-0, our 10th win.

St. Ignatuis was the next victim to be dealt with. It was a home game and our morale was at its highest. We were ready for anyone. In the first 10 minutes we led 3-0. Coach Chmela then took key injured players with the men from the bench. They did the job as we finished the day with a 6-1 win, still unbeaten. Sophomore

many Rams hurting at the half. But we hung in there hoping for one break or mistake. It came and we put it in to anchor a 1-0 lead. But there was yet more. The Falcons kept harassing our defense, but "Hammer" in the nets stayed strong. The Ganshirts, Mattie Shlemon, and Miro Kondryszyn held out against the attack as the Rams captured a hard fought battle 1-0.

We then met a weak St. Francis de Sales team and easily trounced them 6-0. Forwards Ghods-MoFidi and Chimiak sparkled. Aggressive midfield play was anchored by All - Stater Mike Duffy.

Our next game was on the south side against Hales Franciscan. We had beaten them last year 9-0, so we entered the game cocky and assured of an easy victory. But Hales was ready. They opened very aggressively and tested our defense, but they held strong and shut out the enemy for the first half.

We came out flat in the second half and could not mount any kind of offense. But we hung in there hoping for a mistake. It came as Mike Schmalz nudged in a head ball from Ghods-MoFidi for the 1-0 lead. That goal fired us up as we held on for the 1-0 win, with another shutout for the defense.

for the state sub-sectional games.

We met Hales again, this time at home.

It was a beautiful fall day as we handed the south side booters a 3-0 loss. We were ready for them well ahead of game time. Coach Chmela briefed us on our game plan. We controlled the midfield play as halfbacks Libreros, Duffy, and Kondryszyn, handed in fine performances. George and Joe Ganshirt anchored the fine defensive play with Hammer picking up his 10th shutout in the nets.

We then travelled to the environs of University High. We opened the game fired up, scoring a quick goal to gain a 1-0 lead. We held on to win and were now ready to travel to the Maine West Sectionals. We were ready to take on the world, but we had a bad moment in our season ahead.

We entered the lighted field of Maine West and started out slow. New Trier began controlling the flow of the game. Suddenly, on a broken play New Trier slipped one by Hammer into the net and led 1-0. We tried harder the second half but the game ended 1-0. We had lost. Not a word was uttered by anyone on the return trip, we had broken.

The next day we travelled again to meet Maine West. We played much better as there was a 1-1 tie at the half. After that we came out flat in the second half and stopped cold. The game ended in the tie. Our chances to go downstate were low indeed.

We then faced Evanston who would wind up #2 in the state. They had no losses for the past two years of soccer. We knew our season would end with this game, we were going to show ourselves that we still had pride.

We played the game like a team possessed. Our few fans screamed for us in the stands, and we knew we had to win for us, and no one else. The game see - sawed back and forth with the defense shining. Lightning then struck Evanston as Luke Planninic scored for the Rams. Jubilation broke out as we swamped him and were totally ecstatic.

But Evanston kept attacking. On the last play of the game, Hammer stopped a last effort shot with George Ganshirt covering. We won and met at midfield for a riot, tears were the order of the day as we were victorous. All the way back to Gordon we screamed and yelled, knowing we had proved ourselves. We finished with 18 wins, 1 loss, and 3 ties.

Behind veteran runners Bill Wah and George Valentin, the Ram runners learned how to win. This yea the "Harriers" captured their 4t consecutive Catholic League title while they finished 3rd in th Districts, and 6th in the Sectionals.

The Rams then handed in a disappointing 23rd place at the Crete-Monee Pow Wow and 6th at the Loyola Invitational. Gordon's #1 man was George Valentin who placed fifty-ninth. Billy Wahl placed tenth, with Rick Delacadena 24th.

The Rams then lost to Maine East 24-35 but beat Glenbrook North 21-34. Maine East was ranked #1 in the state at this time. For Gordon Wahl and Valentin came in 3rd and 4th, with Delacadena 8th, and Barry 13th.

Thus the young Rams ended their dual meet season with 7 wins and 1 loss. Strength and persistence kept the team evenly paced through the early going. With only 2 seniors at the Varsity level the Harriers showed their young can run.

Other meet results for the Rams was a respectable 4th place finish at the Rich Central Meet. The first 3 Wahl, Valentin, and Barry came in 15th, 19th, and 27th respectively.

pointing 6th of 9 teams. The Harriers ran badly as Carlos Montes captured 20th, with Tim Buckley 26th.

The highlight of the season was a 4th consecutive Catholic League Title. The Rams successfully defeated twelve C.L. opponents, despite heat from Fenwick and Loyola. The day was perfect for running as the team totalled 46 points.

Billy Wahl ran aggressively as he finished 3rd with a time of 15:15. George Valentin was not far behind as he finished 5th, clocked at 15:35.

Juniors Ed Barry and Ricky Delacadena worked together to place 9th and 10th with sizzling times of 15:41 and 15:42. Sophomore Paul Peters ran exceptionally well with Varsity members as he placed 19th.

Now the Rams were ready for the I.H.S.A. District Qualifications.

The Districts were held at Schiller Woods. There was a difficult pace as there were over 100 runners in the race. Wahl and Valentin attempted to stay together to form a pack with the leaders, but George was suffering at the mile and a half. Goerge finished in a disappointing 29th place with a time of 15:44 and ended up as the Rams fifth man.

Billy Wahl kept up with the leaders and placed fifth with a time of 15:09.

Without the excellent performances of Ed Barry, Ricky Delacadena, and Paul Peters the team would not have placed 3rd. Ed and Rick realized that Valentin was hurting, so they picked up the pace placing 21st and 22nd.

Bill Fiedler and Carlos Montes both competed well as the sixth and seventh man.

The Harriers fell prey to the hard-paced suburban runners last Saturday at the I.H.S.A. Willowbrook Sectional. Gordon placed sixth with 185 points out of 15 teams. The five teams which went down to the state finals were York, 42 points; Willowbrook, 48 points; Proviso West, 131 points; Maine West, 143 points, Lyons Township, 144 points. The individual champions of the sectional meet was Ralph Caron of Marist High School with a time of 14:39.8

The race started quickly and was bunched. At the half mile mark Billy Wahl and George Valentin were up with the leaders. At the mile and a half mark George and Billy slowly drifted back into the pack. Billy Wahl ended the race in 47th place with a time of 15:49.2. George barely placed 53rd with a time of 15:52.6.

Barry kicked into the chute with a time of 15:23.5 in twenty-first. Ricky Delacandena came in with a time of 15:38.5 and placed 36th.

Fifth man Billy Fiedler gave a good performance as he placed 72nd with a time of 16:10.7. The number six and seven men were Paul Peters and Bob Kelly with times of 16:43.5 and 16:52.1. The terrific early pace got to them as they placed 98th and 102nd.

The season has been a fruitful one for the Rams. Though the team loses two talented seniors, Bill Wahl and George Valentin, Coach Berger sees a stronger team coming back with much needed experience and talent.

The 1978 Fall Athletic Banquet opened with Fr. Ron Dernick offering a few words of prayer; Fr. Helminski was next as he gave the invocation.

It was then time for the food. The athletes, friends, and parents enjoyed a fine meal. Chicken and Beef were the order of the day. After dinner, Mr. Thomas Chmela, soccer coach, stepped to the stage to hand out the coaches award and the team most valuable player award.

Mike Duffy received the soccer M.V.P. award. He was also voted M.V.P. in the Chicago Catholic Soccer League. Next George Ganshirt accepted his coaches award for the hard work, determination, and his overpowering play throughout his years at Gordon. These two men led the team throughout the season.

Coach Berger then rewarded the two best runners on the Cross Country team for the efforts. Bill Wahl and George Valentin were the two skilled runners who won the M.V.P. and Coaches award. They were both four year veteran runners, and the acknowledged leaders of the team.

Next, Head football coach Mr. Tom Winiecki took the podium. He called Van Niforos to accept the M.V.P. award. Van was the man in power on the field all season. Next, Frank Cykowski stepped to the stage to accept his Coaches award. Fr. Mitrenga then presented the traditional crosses to the senior athlete's Mothers.

Basketball

The 1978-1979 Ram Varsity Basketball Team had a season that was disappointing only by Gordon Tech's standards. Many coaches would give their right arm for a 16-11 season, but to a team that had made the supersectionals two years in a row it was a big letdown.

After a hard November of conditioning and practice, the Rams headed for Quincy, Illinois for the Quincy Thanksgiving Tournament. We found sold-out crowds, spotlight introductions and a Ram team with an 0-3 record to start '78-'79. We started with a 64-61 loss to underdog Kenwood. We then suffered a heartbreaking 53-51 loss to East St. Louis. When it came time for the finale of the round robin tournament, the second seeded Rams were tired, homesick, and bored. It showed in the game as we were outscored, and outrunned 95-79.

St. Benedicts came to the Ram gym with hope of an upset and nearly did it. They could only stay close until the third quarter when we exploded for a 22 point lead and held on in the fourth for an 87-69 win. St. Pats was next and the Ram defense shut down their big men while the offense rolled and we had win number two, 66-53.

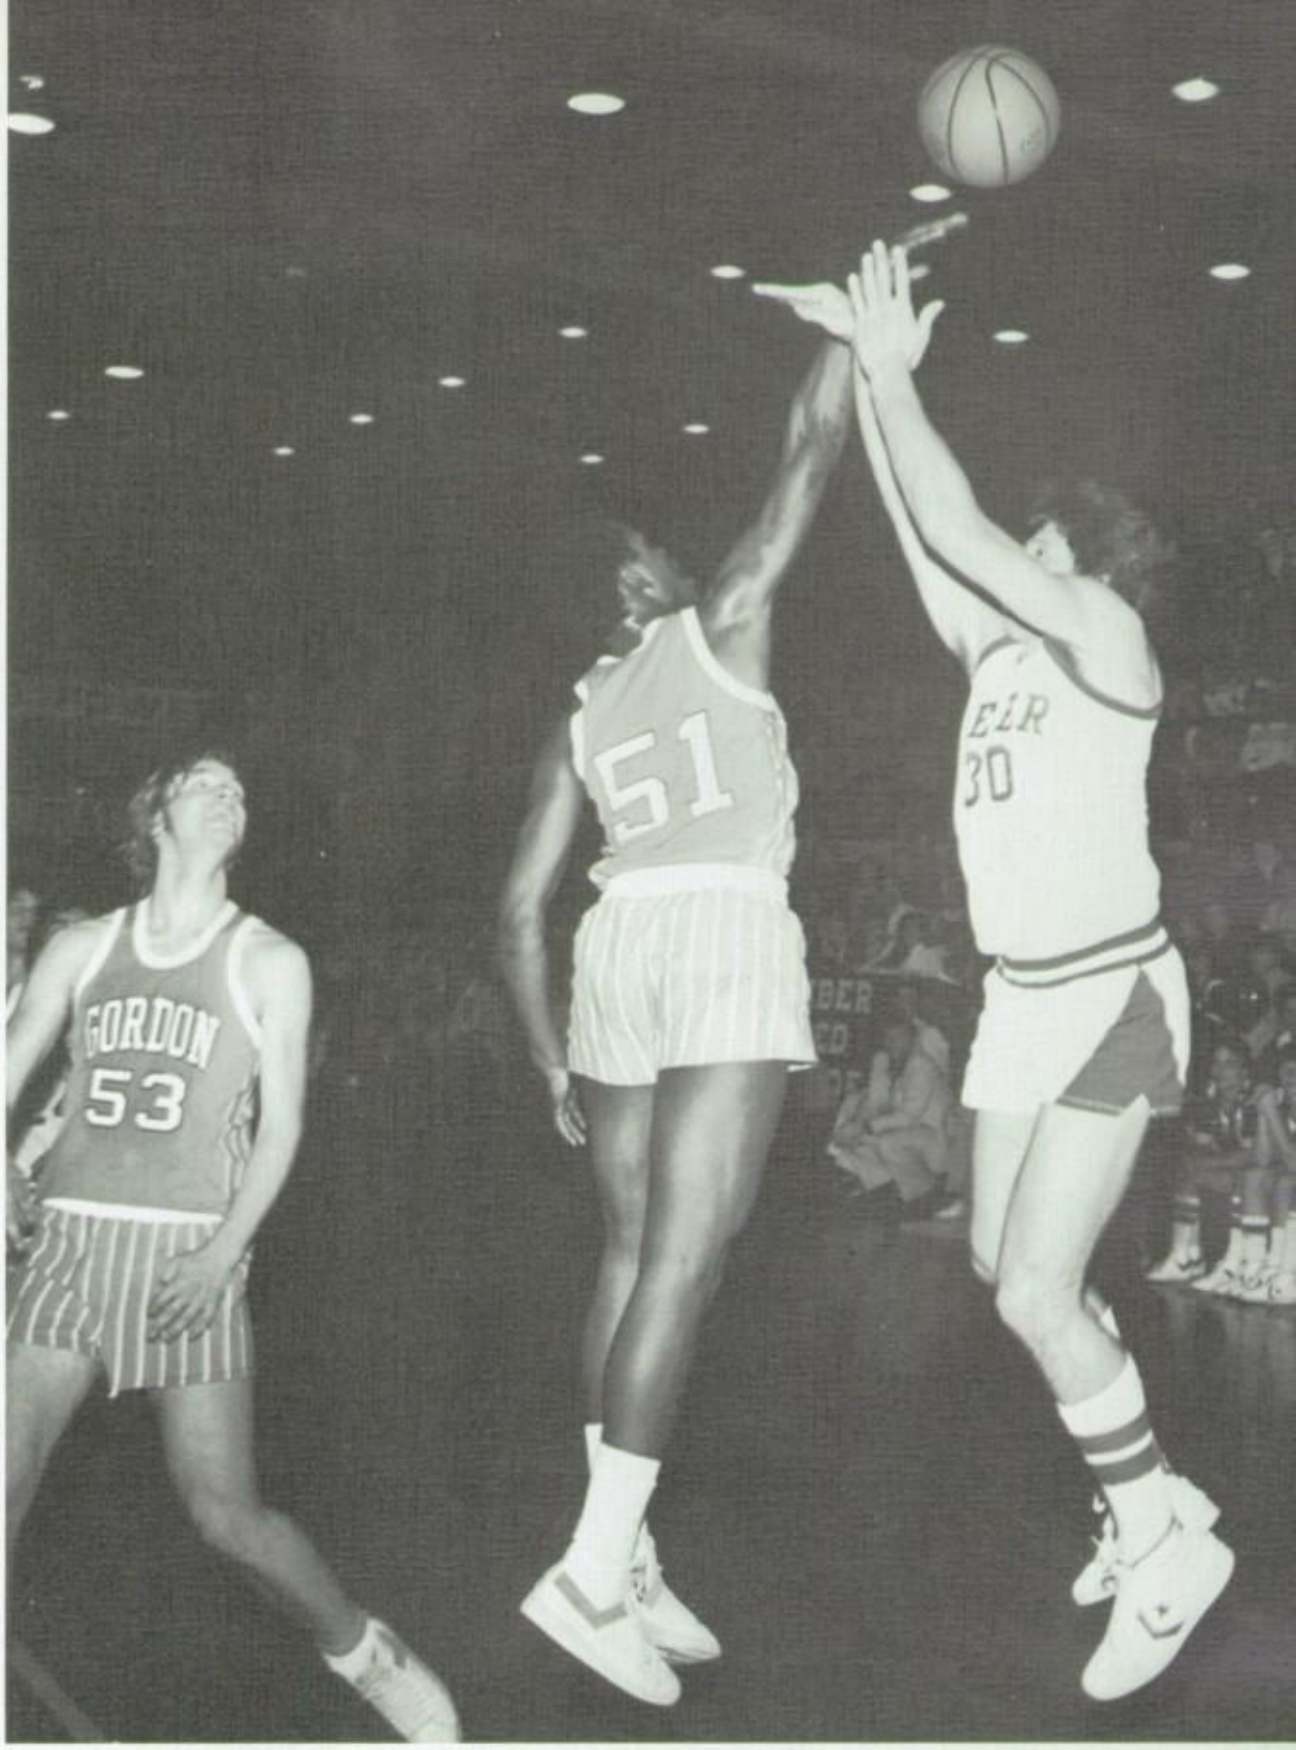
Morale was high among players and we worked hard for St. Laurence a team which hadn't lost a Catholic League game in two years.

The Rams trailed the Vikings the whole game by margins of 1-5 points but the Ram "D" clamped down in the 4th quarter while Charles Perry was busy scoring the go-ahead basket. The Vikings got two chances in the closing seconds with 1 on 1 situations on questionable calls, but when Jim Cesario looked up he saw about fifty Ram fans who made the trip hooting and hollering. He then proceeded to miss and we had beaten three saints twice in a row, this time 42-41.

Holy Cross was next and the Rams rolled again with a 55-48 win. Cross played tough but not tough enough because the Ram "D" was present again.

Hales Franciscan came to Gordon and it was no contest for the Rams. Hales could only muster 13 points in three quarters against the first team. The second team played the fourth quarter and outscored them 21-15.

We were now riding a five game win streak into St. Josephs of Westchester where all-world guard



Tony McCall rejects a Weber shot with Jeff Pawlak looking on.

Cagers Finish At 16-11

Isiah Thomas reigned. He showed Gordon why he was so highly rated by scoring 23 points, blocking four shots, nabbing seven steals, and grabbing eight rebounds. The Rams offense broke down completely and we were dumped 61-52.

We had to pick up the pieces and get ready for Elgin's Christmas Tourney. We travelled to Elgin and our first opponent was Hoffman Estates and they were not a problem. We won 73-32. Stevenson was next and once again no problem, we won 61-46. In the semi-finals Addison Trail was the opponent. They looked tough in their other games but not against Gordon, once again a blowout 65-45. We advanced to the final and Ridgewood was the team we were to play. Kevin Franklin did a super job on all-stater and tournament MVP Murray Lendy holding him to 12 points. The game ended 48-38 in our favor and we paraded the trophy out of the gym. All-tournament honors went to John McIlvain and Kevin Franklin for their line play which led us to the championship.

The Rams returned to Catholic League play at St. Francis de Sales and extended our win streak to five games. We won by a score of 66-55 with John McIlvain and Charles Perry leading the way. De De LaSalle lineup boasted three 6'6", 200 lb. forwards and rebounding became top priority in practice. They threatened to blow

us our of our own gym in the first quarter when all-state Demetrius Brown stole a ball and stuffed it at the other end. Then their other all-stater Daryll Allen took control of both ends of the floor, blocking shots, rebounding, and scoring. Only the fine shooting of John McIlvain kept it close and the first quarter ended 28-14 De LaSalle. The rest of the game was much of the same. The game ended 65-45 in favor of De LaSalle.

We then travelled to Leo High School to play in their "cracker box" gym. The gym was about 60 feet long and 45 feet wide with the players benches literally on the court. At one end the basket was 9'10" while at the other end it was about 10'4". Leo took full advantage of their home court putting the Rams down 64-53.

The coaches felt our shot selection was the problem so they slowed down our offense, emphasizing at least 5 passes and one of those into the post position. They wanted us to eliminate corner jumpers and take more inside shots. We took this new philosophy to Loyola and we looked like a team with a brand new offense with plenty of mistakes. We were inconsistent, scoring 16 in the first quarter, 7 in the second, 13 in the third, and only 4 in the fourth. We lost our third straight 43-40.

We came back home the next night and Brother Rice was the opponent. The new-look Rams put them down 58-50. Next week there was much of the same, this time against Fenwick. Gordon had another Catholic League win 74-65. Free throws made the difference with Rich Porter hitting 11 of 12. The next night the streak continued against non-conference Evanston and their many fans who made the trip. The refs let this brutal game get out of hand when an Evanston player hit Rich Porter with two deliberate elbows to the face and Rich retaliated with a slap to his face. We survived the encounter winning 62-51, once again with the aid of free throws. Three days later we went to St. Rita. Free throws did it again and we held on 46-41.

Three days later it was arch rival Weber at their gym. We were out of first by only one game at 6-3 and so was Weber. They were still cocky over their wins from '76-'77 and last year's blowout at our gym. Revenge was the factor for us and we got it 46-39 in front of the largest crowd of the year. The Ram "D" did it this time with big Jeff Pawlak leading the way. Jeff held his man to 4 points while

John McIlvain drives against Maine South.

Tony McCall wins the jump against archrival Weber.

Rams Make It To I.H.S.A. Regionals

scoring 16 himself and grabbing 18 rebounds.

Four days later we had to play Mendel at home. They beat us 51-49 in overtime which hurt our championship chances. We were overtired from a 5 game 11 day stretch and our sixth game was four days away at Mt. Carmel and we lost again 59-54.

We had one chance to show how much pride we had left in us, and it was against St. Ignatius. We didn't want this one bad enough, even though we outplayed them in the second half, losing 71-61. Jeff Pawlak and Rich Porter tried to keep us close but they weren't enough. We fell to 15-10 and 7-6 in the league. We were to open against Ridgewood in the semi-final of the Maine South Regional. We put the losing streak out of our heads and handled them. The Rams ran away with it 56-36 in front of a small crowd.

Maine South was the opponent in the final and a huge crowd was on hand. We ran through warm-ups and electricity was in the air. The crowd went wild during the spotlight introductions and we were ready to play. Maine South controlled the game jumping to a 12 point lead in the first half. We came out shooting in the second half cutting their lead to 7 in the third quarter. Then in the fourth we cut it to one and it was pandemonium. We had the ball and a chance to take the lead. The ball went to Rich Porter who shot one through for the apparent lead. The crowd was so loud that nobody heard a whistle before the shot. The referee choked under pressure, blowing an inadvertent whistle. We got the ball at half-court and it went to Richard again, taking an identical shot, only it missed. They got the rebound and then scored, and all the momentum had swung from us to them. They proceeded to run away with it, winning by 78-66. The season was over for good and the locker room was glum, not so much over the loss but more so because we didn't measure up to past performances. We were a bad team by our standards but not by the state's.

Wrestling Varsity

The 1978-79 wrestling season began with mixed emotions. There were wrestlers trying to gain one of the 5 starting positions left open by graduating seniors. There were returning starters trying to hold their starting positions. And just like at the beginning of any other sport, there were guys wondering why they did not stay in shape over the summer.

The first week of practice went rather smoothly as we worked through Coach McCann's "short but intense workouts." After about the first week, or week and a half, the football players joined us. When the football players began coming to practice it signalled everyone that we should get down to business and work for the first match. The days went on, the practices took longer, and the work week was much longer. But we continued always giving 110%. We had reached the point when Coach McCann told us that: "God rested on the 7th day but Gordon wrestlers don't." This was true.

Then it was time for the wrestle-offs to begin. These meets pitted teammate vs. teammate to see who would represent us against Lane Tech, our first match. For some guys this was their last chance to capture a starting position at their weight. For others it was the beginning of head to head battles against one of their teammates every Thursday night to see who would wear the varsity orange and white that weekend.

After all the wrestle-offs were finished and all the guys had reached their weight, the 12 best wrestlers emerged.

The 78-79 Rasslin' Rams were gaining enthusiasm and momentum. These two factors combined had a positive outcome. For the second year in a row the Rams scalped the Lane Tech Indians. The final score was GT 46 - Lane 12.

Next the Rams travelled to Evanston and the outcome was pretty much the same as their first match. Gordon crushed another opponent. This time the final was, GT 47 - Evanston 15.

The wrestlers went into their first Catholic League meet with two wins under their belt. The Rams once again trounced their opponent. This time it was St. Laurence. The final score found GT on top 48-11. The Rams were beginning to shape up. They wrestled as a team and captured valuable points. They were ready to take on anyone.

The grapplers were gaining a full head of steam. They won their first three by 37, 32, and 34 points. The Rams carried their 3-0 record into a meet against 3 tough suburban powerhouse teams. Gordon rose to the occasion and put 3 more notches on their hit list. GT 57, Forest View 7; Niles West 7, GT 42, Notre Dame 18.

The Rams next match was another Catholic League contest. But Brother Rice could not find the way to stop the men from Gordon. GT 44 - Brother Rice 18.

Gordon didn't want to ruin their holidays so they went out psyched up to beat Mendel. Mendel really did take a beating that night. Gordon 61 - Mendel 6.

The win was never even a doubt,

as all the wrestlers pounded their opponents showing no mercy. A fine display of power was shown.

Christmas vacation arrived and the varsity had an 8-0 record but I don't think the coaches realized that. It seemed to me that they thought we were 0-8 and that we were a track team. After two hours of wrestling we would run and run. Then for a change of pace we would run through some of Coach Wynn's football agility drills or run sprints through the gym.

During this so-called vacation we received two days off so that the varsity could travel to the Palatine Holiday Tournament. This tournament was the meeting place for some of the states highest ranked teams. The Rams only could capture 10th place. Their best finishers were Dave Klosinski 2nd in the 145 lb. bracket and Van Niforos the consolation champ at 167 lbs.

In came the new year and out went the Rams undefeated record. They dropped 3 straight matches to

state powerhouses Fenton (3rd in state) 49-11; Yorkville (2nd state) 34-22; St. Charles (upstate 8 champ's 78) 31-24. For the second season these teams kept Gordon from an undefeated dual meet season.

The wrestling team was derailed by these 3 losses but hard work put them back on the track. They kept their undefeated record in the Catholic League by trouncing De LaSalle 63-0.

The Rams used this victory to build up a full head of steam and crash right to the top of the Maine West Tournament. Gordon was led by first place finishers: 126 lbs. Dean Svigos; 138 lbs. Larry Ortega; 145 lbs. Dave Klosinski; 167 lbs. Van Niforos; 185 lbs. John Sieder, and HWT. Keith Krutz.

The winner of the next match against Mount Carmel and the first place finisher of the Hershey Junior Varsity Tournament was "Old Man Blizzard," the blizzard of '79.

After shoveling out from the blizzard, St. Patrick travelled to Gordon's Gym. Gordon whipped their northwest side rivals 44-5 in the last home meet of the season. Next the Rams travelled to Holy Cross and made the Crusaders another name on the long hit list of Gordon victories. The final was G.T. 32 - Cross 15.

With the regular season over the Rams held an undefeated record against Catholic League opponents. The Gordonites looked very strong when they entered the Catholic League Tourney. But the hard luck Rams were edged out of first by a tough Mount Carmel team. Some bright spots of the tournament were first place finishes by 126 - Dean Svigos; 145 - Dave Klosinski; 167 - Van Niforos; and 185 lbs. John Sieder. These Rams were allowed to the district finals. Two of these wrestlers survived the districts and sectionals and went downstate to represent Gordon. They were Dave Klosinski and John Sieder. Sieder was eventually named the Catholic League's most valuable wrestler. Neither of them were successful in the State Finals although they did give everything they had.

Throughout the entire season the wrestlers worked as a team, a team that could win and work together for a common goal. Their pride showed bright through their season. The Rams had kept up the tradition of winning at Gordon Tech.

Much work goes into the making of a team. You have to give of yourself to better the program. Our team did it, and accomplished this well. We came in during vacation and free days to sharpen our skills. I feel proud to be a part of the wrestling tradition at Gordon. You learn many things about teamwork and pride, you work so that you may see the progress you have made. Gordon Wrestling will always show pride, and all the memories will be recalled with enthusiasm in future years.

Varsity

The 1979 Fencing Team began their workouts in September with a definite goal: The State Championship. The team was laden with talent but had only two seniors returning.

Gordon Tech Fencers did well in preseason tournaments, with Al Pecherek and Arnold Manaois taking several medals in epee and foil respectively. At this point the outlook for the coming season was bright.

As the season drew near the starting lineups filled out with Arnold Manaois, Mark Piwowarczyk, and Hector Aleman in foil, Al Pecherek, Kevin Menzer and Joe Zajdel in epee. This team was strong and talented, but as yet untried with only one senior and three returning starters.

Marshall was our first opponent of the IHSA season, and they proved to be a tough opponent indeed. An overconfident and uninspired Gordon team was upset in their opener by a score of 7-11.

Our next meet was to be against New Trier East, our greatest rival for the state crown. After some soul searching and a couple of vigorous practice sessions we were ready for them. We looked sharp as we defeated them 12-6. This victory set the stage for six straight dual meet victories.

In IHSA Fencing's midseason classic, the Intersuburban, our team put it all together to squeak through with a victory over its closest competitor in the six team meet, New Trier East. We came together showing the importance of team work in an individual sport, winning by a two bout margin 27-13.

Our cruise through the season hit some rough waters when again we met Marshall. Gordon Tech turned in an lackluster performance on Marshall's home ground losing 6-12.

Our second meeting with New Trier East proved to be another stumbling block, as NTE turned up for the state championships. In a hard fought battle, minus our number two foil man Mark Piwowarczyk, Gordon fell by a score of 8-10.

the upbeat, as we routed New Trier West for the second time, 13-5.

Soon thereafter, we packed our gear in a van and made the long trek to the state championships in Champaign. The day started shakily, but well enough to send all six Gordon Tech Fencers up from the first round, and then five into the semi-finals. Mark Piwowarczyk and Joe Zajdel both ended their day there, both missing the finals by one bout. Gordon sent three fencers into the finals: Arnold Manaois in foil, and Al Pecherek and Kevin Menzer in epee. Manaois finished a spectacular day taking second in foil and winning the Sportsmanship award. Kevin Menzer and Al Pecherek, in epee, both fencing well, finished second and third in the state respectively.

Unfortunately, New Trier East and Marshall also sent many of their fencers to the finals. NTE took the state championship, with Marshall finishing second. Gordon had to be consoled with a disappointing third.

However, for some of the Gordon Tech Fencers the season was not over. Gordon sent six fencers to participate in the Junior Olympics held in Boston: Arnold Manaois, and Mark Piwowarczyk in Under-20 foil, Tom Stanley in Under-16 foil, Al Pecherek in Under-20 epee, Audie Manaois in Under-16 epee and Tom Argy in Under-16 Sabre. Gordon Tech Fencing alumni Wendell Kubik and George Pecherek both fenced in the "J.O.'s" with Kubik taking sixth in Under-20 foil, and Pecherek placing sixth in Under-20 epee.

Such was our season, and again the cry goes up, "Wait 'till next year."

But this season, although not a championship season, was a season of learning. The fencing team can give its members much wisdom; it is there for the taking. Not only from fencing, but from the fencers, their experiences together, and from their coaches. Tony Nishimura and George Pecherek sacrificed their time and energy to come and teach us to fence. Peter Morrison put in hours of his time teaching us not only to be fencers, but also to be gentlemen. He teaches each fencer to be a responsible, thinking, selfsufficient individual. We have all grown and matured from our experiences. We have gained not only skill but have found our personal identities, and that is what Gordon Tech Fencing is all about.

Rams Take Regional Championship

It was after Christmas and the second semester had begun. One of the biggest snowstorms in the city's history had struck. Snowfall had reached record levels. It just did not go away. We sat around wondering when baseball outside would begin. Nevertheless, Bro Frank and Coach Slingerland began their pre-season meetings with each player. The sight of snow had postponed the indoor workouts.

The first week was filled with running and exercise to get the young bodies back into shape for the new season. Batting practice was held in the cages, while the pitchers worked on control. After spending a little over a month inside the team was finally able to stretch and go outside.

This season was the beginning of the end for nine returning starting seniors and six other seniors including myself. It was not only the last season for us, but it was to be Bro Frank's last as well. He was going to be transferred to Weber. A fine crop of juniors had sprung up to the varsity level, including Tom "Rookie" Moritz and Bill "How do you spell relief" Wiklacz.

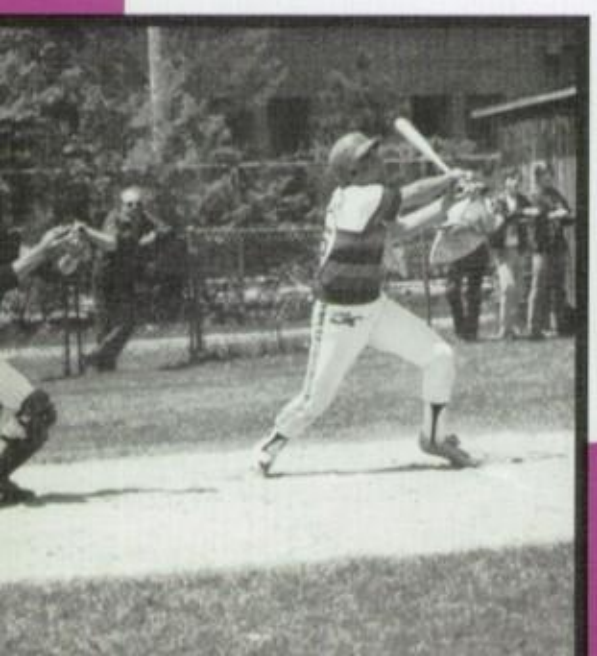
Kenny Kendal with his picture book swing lines in a base hit.

Pat Stauffer hustling after a foul ball.

Why did I swing at that pitch?



Team spirit was quite loose. We could not get together and discipline ourselves for the season. Bro quickly appointed two co-captains, Carl Labus and Ken Kendal to lead the team spiritually.

The weather had managed to ruin most of our early games, but late in March we were able to start our practice season. Our first was in the cold against Quigley North. Bro said "You gotta win the FIRST ONE BEFORE YOU CAN WIN THE SECOND ONE."

Win we did clobbering Quigley North 8-2. Tim Green led the Rams offense with 3 singles and 2 RBI's. The Rams scored 3 runs in first inning on errors - 5 more runs were added in the 3rd on 5 Ram hits.

Weather conditions had not improved when the Rams faced St. Benedict's. The Rams lost a heart-breaker to their neighborhood rival 2-0. 1 and 1 at this point the Rams split their next two against two public league teams. They beat Lakeview 6-4, but lost to Sullivan 9-1. Against Sullivan the Rams looked like the "Bad News Bears," dropping balls left and right while committing 7 errors.

seemed to be a whole new ball club. Holy Trinity was the opposition. Ron Hosman pitched his best game of his high school career not allowing a run until the seventh. Down by 2 runs in the bottom of the seventh, the Rams loaded the bases on a double, a walk, and a fielder's choice. With two out, Pat Stauffer hit a towering drive to left center for a grand slam home run. The win left Bro speechless and put the team on an ultimate high.

This high had not lasted long. Mistakes had cost the Rams their next two games. Proviso East won 7-6 despite a last inning comeback by the Rams. Eddie Vega, Tim Green and Sean Hansen led the powerful comeback. Quigly South had also won with a 5-3 score.

Now our record of 3 and 4 meant nothing as we prepared to open the Catholic League season against Hales. The one that counted the Rams won. Al Rzeszutko shut out Hales 60 on 5 hits and struck out 10 batters.

Since this was Easter Vacation we had 7 games scheduled in 5 days. A winning streak had been started as the Rams won their second in a row defeating St. Viator's 5-3. Coach Slingerland had said that hitting is essential to the Rams success. 14 hits were guirded out in this victory. Bill "How do you spell relief " Wiklacz came in to put out a mounting St. Viator attack.

Catholic League games were now in full swing. Mendal was the next victim 8 to 3 was the final score. The next day the Ram winning streak had come to an end as they lost to Holy Cross 5-2. A throwing error by Jerry Modlinski and a few base running mistakes were the cause of the Rams demise.

St. Ignatius was the next Catholic League foe. They were stubborn as the Rams won 6-4. The Rams looked sloppy in the victory, due to the fatigue of the schedule. Friday arrived and a lack of enforcement of rules left the Rams with 18 players to use against St. Joseph's. Bill Wicklacz was tired and was rocked for 6 earned runs. Dave Lempa a first baseman was called in to pitch for the Rams. 8-4 was the final score. Junior Bill Kenik made his only appearance of the season and wacked out a hit.

The biggest game of the season had arrived. We would finally observe what we were made of — Archrival Weber possessed only one loss before getting to us. Jerry Modlinski shut them out striking out 9 and allowing 3 hits - Final score was 1-0. Ken Kendal was hitting star. After being cheated out of a triple in the 3rd inning he wacked a home run for the game's only score.

Loyola then handed us our first loss in the Catholic League. We lost 5-3 as we were held to just 5 hits' We bounced back by defeating Mt. Carmel 4-3. Mike Such, our newest DH, sparkled with 2 hits and 2 RBI's.

All of a sudden the pendulum had swung back the other way. Two more losses in the Catholic League had put us out of the race' DeSales won 7-3 and Brother Rice 12-6. Both teams took adavantage of our costly errors.

We now had to prepare ourselves for the state playoffs. We had to prove to ourselves that we were good during the rest of our Catholic League games. St. Laurence, undefeated in the league fell prey to the Rams. Jerry Modlinski again won the big game striking out 11 while allowing 2 runs. Tim Green had the game winning hit with his two run blast in the 4th innings.

We again had proved we were the "Bad News Bears" giving Fenwick the next game. They scored 8 runs in the 3rd inning on 4 of our errors and 2 misjudged fly balls. Final score 8-5.

A new style had erupted in the Ram defense. Players were switched around hoping to find the right positions for them. If anyone ever doubted the saying "The game is not over until the last out is made," they were assured it was true at the De LaSalle contest. After seven innings the score was 3-3. De LaSalle scored 4 runs in the 10 innings to take an 8-4 lead but Rams bounced back scoring 5 runs to defeat the Meteors 9-8. Pete Lekas's grand slam was the winning blow.

Since rain had canceled many of our games they had to be made up. So on Mother's Day we played the Mustangs of St. Rita. St. Rita won 5-4, despite a comeback by the Rams, St. Rita won on our lack of concentration.

Time was running out. There was just one more game to prepare for the state tourney. Finally the team united and soundly defeated St. Leo 7-0. Mike Jacobs the Rams new shortstop belted 2 hits. Holy Trinity was our first opponent in the state tourney. We won the first Regional game 6-5. Bill Wiklacz came on in relief to get the victory. Dean Hansen and Tom Moritz each had 3 hits. Ken

Kendal drove in the winning run with a triple in the bottom of the seventh. Suddenly the "Bad News Bears," looked more like the "New York Yankees."

Again the Rams had to face a team they had seen before. It was Weber. Our Ace Jerry Modlinski beat the Red Horde once again by a score of 3-2. Tim Green was responsible for every Ram run, scoring 2 of them and driving in the third.

As we advanced to the Regional Championship game we faced top seated Holy Cross. As we came to bat in the bottom of the first inning we were down by 2 runs. Our biggest scoring innings of the season had come. The mighty Rams scored seven consecutive runs on seven hits. As it turned out seven runs weren't enough as Mike Jacobs suffered a severe case of junioritis by committing 5 errors. The Rams retaliated scoring 4 runs in the sixth. Holy Cross scored 12 runs in all, 4 of which were earned. In the seventh Mike Jacobs singled, stole second, and scored the winning run when Jim Minogue's hard grounder was booted by the second baseman. The Rams were the Oak Park Regional Champions winning by a score of 13-12.

Wind gusts of up to 40 mph prevented the Rams from taking a good practice to prepare for the Sectionals. Proviso West was the newest Ram opposition. The Rams opened up the scoring in the first scoring a run on two Panther errors. That was all the scoring for the Rams as we were shut out the rest of the way as we watched 9 Panther runners touch the plate. It was a bitter end for a crazy, mixed season that seemed to start straightening out. Tim Green had 8 hits in 13 at bats during the state tournament. The bus ride home was quiet and uneventful as 12 members of the team sang the Gordon fight song for the last time.

Our final overall record was 15 wins and 12 losses. We had an 8 and 5 record in the Catholic League. We had been the first team ever to win a Regional Championship. Three players were named to the All-Conference team. They were catcher Tim Green, centerfielder Ken Kendal, and pitcher Jerry Modlinski. Tim Green led the team with an amazing .388 batting average. Jerry Modlinski and Kane Keirnan led the pitchers, each with a 3-12 ERA. It was a fun season, filled with frolic and controversy. I enjoyed being their manager. Speaking on behalf of the seniors on Brother Frank, I would like to wish the juniors much success in the next season.

It all began in late December, with announcements reminding us of up-coming track meetings. As the meeting ended, we all unexpectedly had sworn to become loyal track members; eating and sleeping track; missing dinners to perfect our technique and style; skipping homework for perfection; staying as late as 10:00 p.m. working on weights to improve upper and lower body muscles; running in 18 degree weather; doing fatigue sprints, where the main purpose seems to be who can vomit the most. As I look back on it, although it was rough, it was the best time of life; working and being with friends, who congratulated you whether you won or lost, because they all knew you gave your best.

Our first day of practice was on January 29th, with our first Indoor Track Meet against Crystal Lake and Lake Zurich on the 17th of February. For three weeks we ran, lifted weights, ran, did fatigue sprints, ran and started on our specialty events to get in shape for Crystal Lake. When it came within a week of our first track meet everyone was nervous, except the coaches, who knew we would win because of the hard work and effort we put in in the last three weeks. Coach Martorano worked the sprinters to perfection, Coach Berger showing no pity, worked the distance men to their limits and beyond, and Coach Shalek working the freshman distance men and all of the Pole Vaulters to unexpected heights.

February 16th came by real fast; that day we had another track meeting, this time swearing to do our best at tomorrow's meet and, to my amazement, swearing to enjoy ourselves, because we earned it. The rest of the practice was a light workout, so as not to overexert ourselves.

We met in the lockerroom at 9:30 to dress and receive our sweats. We all hustled on to the bus, a little nervous. The bus was unusually quiet, I thought, for 64 young men of Gordon Tech; even as we passed a group of young females all I heard were a few whistles.

We arrived at Crystal Lake at 12:00 Noon, to be greeted by one of the best Indoor Track and Fields in Illinois. We knew at that moment that we wouldn't be beaten today, and that we would bring a victory home. The atmosphere we were in was exciting itself; it was as if we all just got our first kiss; all sparks and fire crackers exploding all about.

Billy Wahl in the lead in the 1 mile run.

Ed Barry giving it all in the last lap of the 2 mile relay.

Jon Emrich again winning the 100 yard dash.

Russ Hess completing his final throw in the discus.

We started our warm-ups; our one mile jog, our exercises and our stretches. Then the meet started with the field events Pole Vault, High Jump, and Shot Put. Ted Guyett placing third in the Pole Vault; Carlos Montes placing third in the High Jump, and Jim Polsteral and Frank Witkus placing second and third in the Shot Put.

Top performers at Crystal Lake were; Brian Wapole, Dan Whalen, Rick Cadena and Carlos Montes taking first in the two-mile relay; Alvin Jones, Rick Rasierbowicz, Jon Emrich, and Ray Gonzale taking first in the four lap relay and the 880 yard relay; in the 50 yard high hurdles Scott Burns finished 2nd; Jon Emrich finished first in the 50 yard dash and the 220 yard dash with Mike Valentino and Rich Pasierbowicz finishing 2nd and 3rd. In the 880 yard run, Rich Cadena finished second with Jeff Braun getting third. In the 440 yard dash Dan Whalen took second, and in the 50 yard low hurdles, Mike Valentino took second.

Thus Gordon Tech's Varsity Team took an expected victory over Crystal Lake and Lake Zurich, beating them 62 points to 35 and 54 points respectively. The Frosh-Soph team compiling 62½ points, was also victorious over Crystal Lake and Lake Zurich's 47½ and 30 points. Top performers for the Frosh-Soph Team were; Steve Baginskis, Wayne Vogelsburg, Rudulfo Costello, Jerry Penkala, Noel Sadural, and Jerry Davern.

Before our next team meet there was the University of Illinois Open Meet; in which only the best would show. Gordon sent Bill Wahl, Ed Barry, and George Valentino to compete. George placed fourth in the one-mile run out of over 50 runners; Ed and Bill also did outstanding performances, but none that would place.

Our next opponent was St. Ignatius, at the Broadway Armory. Again both Varsity and Frosh-Soph swept their opponents. Gordon took first place in 9 out of 13 events placing second or third in 11 out of those 13. The momentum and excitement of winning was high in everyone; we were all sure that the Catholic League Indoor Track Meet Championship would be ours. But our next two opponents would be one of the best in the state and also one of the hardest to beat. Thus we practiced even harder than before; more weights, more running, more style and more vomitting. We had two weeks till we were to go up against Bloom Trail and Calumet, when those two weeks were over we felt good and ready for them. Although we didn't win, it wasn't a terrific blow to

our morale, we were sad that we hadn't won, but Bloom Trail and Calumet were one of the toughest competitors in Illinois. Frosh-Soph also lost against Bloom Trail, but won against Calumet.

Only three days after Bloom Trail we went up against Lane Tech. The Varsity lost against Lane, but the Frosh-Soph showed great spirit and strength and beat the Indians hands down.

On March 24 was the Oak Park Invitational, in which only the best were asked to participate. Gordon's Jon Emrich was invited to run the 60 yard dash, he did so and finished first.

Our last Indoor track meet would be the Catholic League Indoor Relays. Although it may have been that we were out-numbered, in comparison of our team against others, we held together strongly, cheering our teammates on, thus receiving a respectable 7th place among 19 strong and competitive teams. So ended our indoor season with totals for the Varsity, 3 wins and 3 losses; and for the Frosh-Soph, 5 wins and 1 loss.

The Outdoor season had begun with our first opponents against De LaSalle, St. Rita, Providence-St. Mel, and Kennedy. Between our indoor and outdoor season, one week, the coaches decided for us to have a break, one day off then back to work. It was just that, work; and work we did, ever stronger and better than before, determined to have a successful outdoor season.

On April 7th we went up against De LaSalle losing to them by just a few points, but beating St. Rita, Providence, St. Mel and Kennedy. The Frosh-Soph had an outstanding day beating all four teams by great majorities. Top performers for Varsity were Russ Hess in the Shot Put, Tyrone Stone in the Long Jump and Triple Jump, Jon Emrich in the 100 yard dash and the 220 yard dash, Bill Wahl and Ed Barry in the two mile run, George Valentine in the 880 yard dash, Wahl and Valentine in the one mile run. For the Frosh-Soph, Alvin Jones in the Long Jump, Steve Baginskis in the 120 yard high and low hurdles, Rich Pasierbowicz in the 100 yard dash and 220 yard dash, Jerry Penkals in the 440 yard dash, and Patuns in the one mile run.

After De LaSalle we had three days until we went up against St. Ignatius, Mendel and Quigley South. It seemed to me, that we just didn't have it, we weren't pushing ourselves at the St. Ignatius meet, as we had been doing in the past. Unsurprisingly to some we came in third out of four teams, in which we should have taken first. The Performers who gave us at least the third place were Ted Guyett, Bob Wiegert and Chemla Tapia in the field events; Jon Emrich, Tyrone Stone, Billy Wahl, Ed Barry and Mike Valentino in the running events. The Frosh-Soph, on the other hand, swept their opponents by another terrific margin placing first again; with assists from Jones, Pasierbowicz, Baginskis, Penkala, Peters, Patriarca, Lehnert, Sadural, Hartman and Vogelsburg. At this point the Frosh-Soph were doing a terrific job winning 6 and losing 0. For the Varsity, the St. Ignatius loss, was one that we really didn't overcome for the rest of the season.

The Varsity was invited to attend the Moline Invitational at Moline; although we brought only a few members of the varsity team, it was enough to receive a respectable 6th place from 20 competitive teams; showing we still could do it, even with not all of the varsity team present.

Then came Brother Rice, we had never run against them this year, so both teams played cautiously. The Rams

failed again in trying to overcome Brother Rice, but something else happened; Jon Emrich, one of the best point getters, pulled his hamstring muscle, requiring many weeks of reconditioning; thus, he was unable to perform with us for those weeks. But again the

Equipment manager John Mertens times and watches one of the members competing in the Catholic League Championship.

Frosh-Soph put another victory under their belt, as they fought to stay undefeated.

Three days after Brother Rice we travelled to Kaneland for the Fox Valley Invitational, taking only a rag-tag varsity team of only eight men, it was obvious that we wouldn't win, but we hadn't gone to win, we came because we were invited to come, because we felt we owed it to our coaches and our school to compete. At Fox Valley we took 19th place from around 30 teams, pretty good for eight men.

Between Brother Rice and Loyola, our next opponent, another injury occurred, this time to another outstanding performer, but on the Frosh-Soph team, hurdler Steve Baginskis. Steve pulled his muscle, meaning the rest of the outdoor season for him was gone. Loyola was always one team we desperately wanted to beat; so the team practiced hard for the meet against Loyola and Weber. But Loyola, who placed 2nd in the Catholic League Indoor meet was too strong for both Varsity and Frosh-Soph. But some good times and personal best performances were given by Bill Wahl, Ed Barry, Mike Valentino, Ray Gonzales, George Vantine, Rick Cadena, Chemla Tapia, Bob Wiegert, Norman Aranda, Noel Sadural, Wayne Vogelsburg, Joe Lenhnert, Taylor, Peterson and Patriarca. With that experience we went against Ridgwood and Taft in our last track meet before the Championships. We gave a great performance at Ridgewood, but it wasn't enough. But the Frosh-Soph again beat their opponents with little difficulty.

Thus ended the Catholic League Meets; now into the Championships. The first championships were the Freshman Championships, in which John Laitsidis scored first in the Pole Vault and Ray Wildefore scored first in the shot put. Two more injuries occurred before the Varsity Championships; Mike Valentino, who is the great hurdler, broke his arm; and Tyrone Stone, who did a terrific job sprinting and who was an important part of the relay team pulled his hamstring muscle, taking them out of the competition.

The Catholic League Frosh-Soph Champions were under way, bringing the best Frosh-Soph teams to St. Ignatius to compete. Before the meet John Laitsidis sprained his ankle, thus cancelling him out of any competition from Pole Vaulting. The Frosh-Soph team did exceptionally well placing 7th; ending their season with 15 victories and 2 losses. The Varsity Champions would meet the next day at North Central College. Jon Emrich, back from his injury, ran at the Catholic League Varsity Championships placing first in his heat and semi-finals of the 100 yard dash, but pulling the same performances that brought our 10th place were, Ed Barry and Billy Wahl in the 2 mile run placing 4th and 5th; and Russ Hess placing 4th in the Shot Put.

So ended the regular outdoor season for the varsity with overall scores of 12 victories and 11 losses. Between the Varsity Catholic League Champions and the I.H.S.A. Districts, were the best from overall competed; was a one week rest, where Jon Emrich nursed his hurt leg back to running ability to compete at the Districts. Compete he did, winning the 220 yard dash finals, making him a District Champion and entitling him to go down state to compete against the very best in Illinois. Jon made the finals in the 220 yard dash placing 9th in the State.

Although our track seasons weren't a Championship one, it was all the same exciting and fun. I can't wait till next year's track season, with some super Juniors coming up to Varsity; this should be a very rewarding, if not a championship season.

Varsity Tennis

This year's tennis team got off to an early start. Headed by coach Tom Chmela, the Rams began practicing indoors in late April to a good season. After weeks of hard workouts and interteam matches the standings were made and we were ready for our first match.

After a postponement of Morton West, Fenwick became our first victim. With wins in 2nd and 3rd singles by Andy Seniuta, 6-3, 6-2 and Bill Penar 6-1, 6-4 and doubles by the teams of Miller-Ulbert 6-1, 6-4 and a comeback win by 1st doubles team of Knauz-Baranek 1-7, 7-6, 6-0 — the Rams defeated Fenwick 4-1.

We kept our momentum going as we soundly defeated Morton West. Wins led by freshman Chris Visconti in 1st singles and Andy Seniuta at 2nd singles with wins at 1st and 2nd doubles of Knauz-Baranek and Puskarski-Ulbert produced a 4-1 victory. We now approached the Ridgewood Quad with enthusiasm and optimism, but to our dismay the competition was more than we bargained for and the Rams took three hard blows from Ridgewood, Weber and Walter Luther - We should have just slept late that Saturday morning.

After a grim week of rain and cold - two cancellations and one postponement of matches, the Rams tackled the Niles West Tourney, but again the Rams were met this time by over-powering suburban teams and had to settle for 6th place in the Tourney.

We still could find no victory coming into the next meet. Meeting a staunch St. Pat's team the Rams lost a close match 2-3, with only wins coming from 2nd and 3rd singles Seniuta and Penar.

After yet another postponement because of rain - this time St. Rita, the Rams embarked on a rematch against Ridgewood. After 4 out of 5 matches going into three sets the Rams finally struggled to a 3-2 win. This time with wins coming from 2nd doubles Puszkarsk-Ulbert, 1st singles - Viscounti and again in 2nd singles from Seniuta. Victory tasted sweet. But the next week it was pounded off our taste buds as the Rams were doubly shut (0-5, 0-5) out by eventual Catholic League semifinalists Weber and Brother Rice. We could only handle so much pounding and used our next two opponents as

scapegoats, trouncing over De LaSalle 4-1 and shutting out Hales Franciscan 5-0.

But again victory would not savor as the Rams lost a close match. The Mendel 2-3 with wins by Visconti and 2nd doubles Miller-Puszkarski, but noteworthy losses from Seniuta and doubles Baranek and Knauz. We again suffered a close loss against St. Ignatius, with the only wins coming from doubles teams of Baranek-Knauz and Ulbert-Miller.

The season was coming to a close. The Rams already out of Catholic League playoff contention focused on the District Tourney. But there were still two make up matches in the way. After three postponements the Rams finally took care of St. Lawrence 3-2. This time wins coming from the singles players Visconti, Seniuta and Penar. Likewise St. Rita was brushed aside with the Rams winning 5-0.

The districts arrived and the Rams entered Visconti and Seniuta into the singles bracket and teams of Knauz-Baranek and Puszkarski-Penar into the doubles. No, there were no wins, but the well played matches were commendable.

The season had come to a close and the hard work and enjoyment had brought the Rams to a 5-4 record in the Catholic League and respectable 7-5 overall.

Although this season was not overly prosperous it was more than enjoyable, and with the members of the unbeaten Frosh-Soph team the tennis Rams have much to look for in the future.

Intramurals

More students participate in intramural athletics than in any other activity at the school. This is only natural; many Gordon students work and the intramural program is flexible enough so that everyone who wants to participate has the opportunity.

The Director of Intramural Activities is Coach Casey Kozlik. The entire year program is varied. In the first few weeks of the year there were seven events: the Pull-up, the 100 yard dash, Push-up, Free-throw, Sit up, Cross Country, and Cross Country Team.

Basketball and floor hockey are offered to all students; as is Ping Pong. Touch football this year was limited to seniors.

At the end of the year the annual Sports Night was held, an event that always draws a lot of attention.

The largest of intramural sports is bowling. Every Tuesday the devotees of the alley meet at Waveland Bowl under the supervision of Mr. Eugene Wleklinski for their league matches.

Juniors For 1979 . . .

One More Year To Go

Veterans for three years. This year the Juniors participated in many activities. There were football and basketball games to go to. There were sock hops and the Junior Ring Dance. As the Juniors matured, decisions about the future were beginning to form. To work or go to college were the largest choices dealt with. If any help is desired, teachers and counselors are there to provide it.

A lot of information was gained in three years of study. Now there is but one more year to learn, one more, and then it is out into the world. The skills learned at Gordon will always be remembered in years ahead.

In the fields of science, technology, and general studies, this year's Juniors excelled. By now, many of them have future goals and dreams in focus. They are ready to enter their final year hoping to capture their desires and wishes. With an amount of sweat, skill, and determination, the Juniors of 78'-79' will be successful in their futures.

Students Sharpen Academic and Technical Skills

At Gordon, students have the options of excelling in Academic, Technical, or Athletic fields. Many classes are offered in these three areas. They provide the student with a well - rounded program to study so that he may leave Gordon with much practical skill and knowledge.

Junior Ring Ceremony And Dance

On April 26, 1979 the Junior Class received their Gordon Rings. The Gordon Ring is to honor achievement, to celebrate uniqueness, to forgive and reconcile, and to hope for the future. The ceremony was highlighted by a slide show presented by two juniors: Ed Mockus and Pete Munoz. Mr. Mitrenga explained the meaning of the rings, blessed them, and then they were distributed by the homeroom teachers.

The annual Ring Dance was held the next night at the Golden Tiara Ballroom. The theme was *Visions;* the theme song was "Somewhere Over the Rainbow." The two bands that played were *Hollywood* and *Spector.* During the dance Fr. Helminski announced the name of the Ring Dance Queen: Ange Petropoulis, a St. Gregory High School student escorted to the dance by Kevin Menzer.

Fr. Mitrenga was the main concelebrant at the liturgy for the Resurrection Awards Dinner.

REV. EDWIN F. MITRENGA, C.R.
Principal

Our Principal

The principal is the captain of the team, the one who coordinates all the efforts of the entire faculty and staff. Fr. Mitrenga is charged with managing all the academic, extra-curricular, fiscal, and fund-raising efforts of the school.

In addition to these duties he also is the moderator of both the National Honor Society and the National Junior Honor Society.

Father's recent projects include the development of the alumni association, the establishment of the Office of Development, the appointment of a Recruiting Director, and the appointment of an Honors Program Director.

Seated: Mrs. Marjorie Kenney, Miss M. Lois Dierstein, Dr. Edward Millhouse, Mrs. Ramona Hayes Healy, Mrs. Lucy Lyon. Brother William Hallas, C.R. Standing: Rev. Henry Blaski, C.R., Mr. Norbert Dompke, Rev. Robert Clark, Rev. Edwin Mitrenga, C.R., Rev. Greg Helminski, C.R., Dr. Robert Hamilton, Rev. Eugene Szarek, C.R. Not Pictured: Mr. Robert Bachman, Mr. Alfred E. Gallo, Mr. William O'Connor, Mr. Raymond Wojnar, Rev. Don Zinn, C.R.

Executive Advisory Board

The members of the Executive Advisory Board meet four times a year to assist the Principal and the Administrators of the school in their decision making. Fr. Mitrenga has appointed people from all walks of professional life to give the board a broad scope.

The generous contribution of their time and talent is appreciated by the school community.

At the beginning of the school year, the Father General of the Congregation of the Resurrection and his staff visited the community at Gordon Tech. All of the visitors and the members of the community concelebrated the opening liturgy of the school year.

Mathematics

All Gordon students are required to take two years of math; the demands of the modern world encourage many juniors and seniors to continue their math studies.

Math courses are offered at four levels of difficulty in order to accommodate any student's particular math ability. The Math Department services the Science Department and the Industrial Education Department with advanced math courses and shop - math courses.

English

Members of the English Department believe that a student's ability to read and write logically and creatively is central to his academic, personal, and career development. All students at Gordon are required to study English for four years. During that time they take five semesters of required composition courses and three semesters of literature. The composition program is a detailed sequence of courses which is designed to equip the student with all the basic skills needed for effective written expression.

Literature courses include an Introduction to Literature, studies in American Literature, and English Literature. Departmental electives include: Honors English, Creative Writing, Reading for Enjoyment, Short Story, Science Fiction, and Journalism.

Science

The results of modern technology and science dominate modern life. In man's quest for knowledge science takes a most significant role. Without an understanding of science it is difficult to understand the complex world around us.

Science leads us to new knowledge and exposes the student to the many unanswered questions. At Gordon, students have the opportunity to obtain this knowledge and to answer these questions. Although there is only one year of required study in Science, many students take a full four - year concentration of courses in this area.

Foreign Language

The study of foreign languages and cultures broadens a person's view of the world. The study of a foreign language teaches us more about our own language; the study of a foreign culture helps us to understand the many elements of our own pluralistic society.

At Gordon students have six languages to choose from: German, French, Spanish, Polish, Latin, and Italian. There are courses offered both for the beginner and the advanced student.

Social Studies

Mr. Peter Morrison, the chairman of the Social Studies Department brings up a point for discussion at a meeting of the Curriculum Council on which he serves.

The Study of Man's Achievements: Past and Present

The Social Studies Department attempts to give students an understanding of today's society by tracing the history of our social, economic, and political development. The department attempts to reveal the workings of the past and the effect that the past has had on the present. History provides us with a key to understanding our own world.

Students are required to take a full year of Modern World History and American History; a half - year of Government is also required. Students have the option to continue studies in such elective courses as the History of Chicago, Sociology, and Psychology.

Industrial Education

The Industrial Education Department has a two-fold purpose. Primarily, they serve the student who hopes to enter one of the trades by giving him significant practical experience while he is still in school. Secondarily, they provide elective alternatives to students in Business and College Prep programs who want to increase their knowledge and develop their manual skills.

A wide range of courses are offered in various shops: Electricity, Automobile, Machine, Metals, Woodworking. Drafting courses are available on three levels and two levels of courses are offered in Architectural Drawing and Design.

Students in all shop classes are instructed in the proper methods for safety.

Communications

The Communications Department embraces a diversified area of studies. It centers on the concept that communication of a thought or an idea is an activity through which man achieves his greatest potential.

Courses are offered in the areas of Music, Art, Drama, Speech, and Television Production.

The department holds these objectives for students: to acquire skill in communications with others, to understand the methods of the mass media and become an active participant, to appreciate the more artistic forms of communication and to actively participate in them.

Guidance

The Guidance Department assists the students in their growth toward making adjustments to life's demands. Counselors assist students in their personal, academic, and career development. Through testing and conferences they help each student evaluate his academic strengths and weaknesses. Armed in this way, the student can pursue a realistic course of study.

The department works in conjunction with the Social Studies department to offer a teaching and counseling unit on Career Planning. The department feels that it is very important for students to familiarize themselves with career opportunities, educational requirements, and the skills required for various careers.

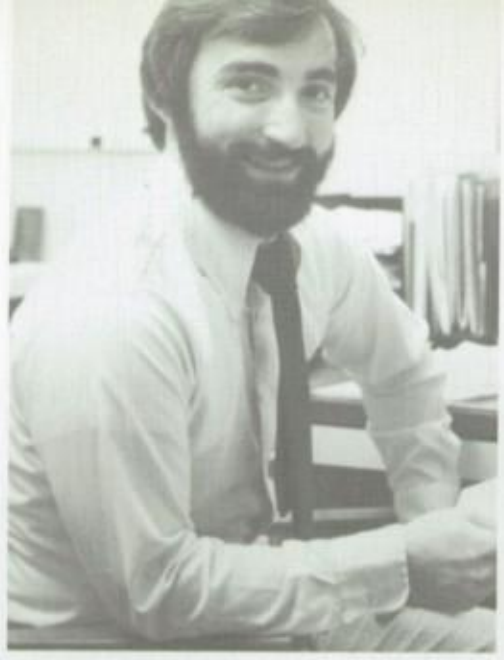
Office Staff



Mr. Ofisher arrives for another day's work in the Business Office.

The office staff is responsible for the numerous business and clerical transactions that occur each day; these ladies play an important role in the school.

The Main Office staff takes care of general business: secretarial tasks, receipts, switchboard, reception, and record keeping. The business office handles most of the financial transactions of the school's various departments. The ladies in the attendance office keep records of all the tardies and absences that happen during the year. The student records office is responsible for records of grades and student programs.

Cafeteria Staff

The cafeteria staff is essential to Gordon Tech. These ladies, under the direction of Mrs. Rose Haracz, prepare and serve lunches to the students and faculty all year long. They also serve food at the athletic banquets and other special school functions.

FRONT ROW: Rose Haracz (Manager), Marilyn Wenzel, Kay Ceniglia, Charlotte Thompson, Lorraine Dynek. SECOND ROW: Frances Wisowaty, Herta Regensburger, Frances Szatko, Jean Trybula, Martha Podumis, Irene Zarymbski, Lorraine Magis. BACK ROW: Dolores Hynes, June Kearney.

The five ladies pictured here have given more than fifty - six years of service to Gordon Tech through cafeteria work.

Janitors

The men who work on the janitorial staff are responsible for the regular repairs and maintainence of the buildings. Students come to realize the importance of this job when they realize that these are the guys who are always being paged over the P.A.

Mothers Club

The Mothers Club and the Fathers Club comprise the fund raising organizations of the school. The Mothers Club holds monthly meetings which feature guest speakers, entertainment, and demonstrations. Bingo is played on Sunday afternoons and Tuesday nights. This year, two weekends of Bingorama were held during the Easter holidays.

An annual St. Joseph's tables takes place in March. Many mothers bring their homemade dishes and desserts for the huge crowd to sample. New entertainment at a Mothers Club meeting was a $1.98 Beauty Contest featuring G.T. moms as contestants. The antics of the night kept the crowd laughing for more.

In May, the senior class was honored at the senior luncheon by the Mothers Club. The food was catered and each graduating senior received a copper mug, compliments of the Mothers Club.

Fathers Club

The Gordon Tech Fathers Club along with the Mothers Club provides the school with necessary funds that helps the school stay in existence. Both clubs raise money through different activities.

Among the numerous fund raisers the Fathers Club sponsors are the Fall Festival and Las Vegas Nights. A Student vs. Fathers Donkey Basketball Game was held. It was billed as a cross between a basketball game and a circus. The thrills and spills of the game delighted the spectators. Monthly meetings featuring guest speakers and entertainers such as Fr. Mitrenga and the Shannon Rovers are planned.

A tuition fund for the boys who lost their dads is also included in one's membership to the Father's Club.

Members buy their tickets to an upcoming dance before the meeting.

Fr. Blaski verifies that all the raffle tickets are in, before picking the lucky winners.

New and old members frantically sign their membership cards.

Everyone enjoyed the presence of the Shannon Rovers.

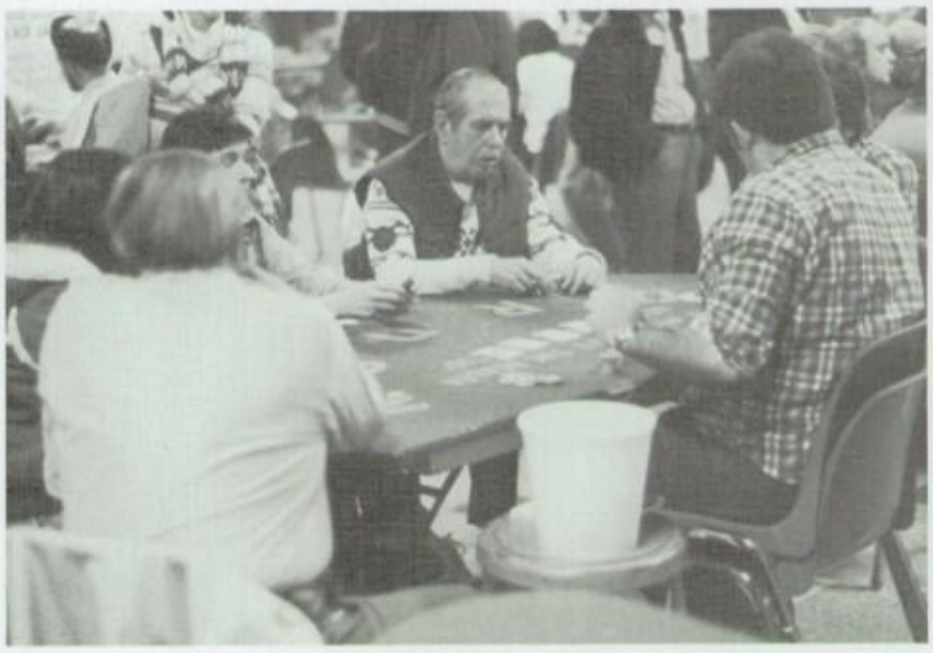
During halftime of Donkey Basketball, kids could pet the donkeys.



At one Fathers Club meeting, the Shannon Rovers entertained with their music.

Fathers Club members are always willing to volunteer their time for a Las Vegas night.

At each meeting, a raffle is held for some worthwhile prizes.

Fall Festival

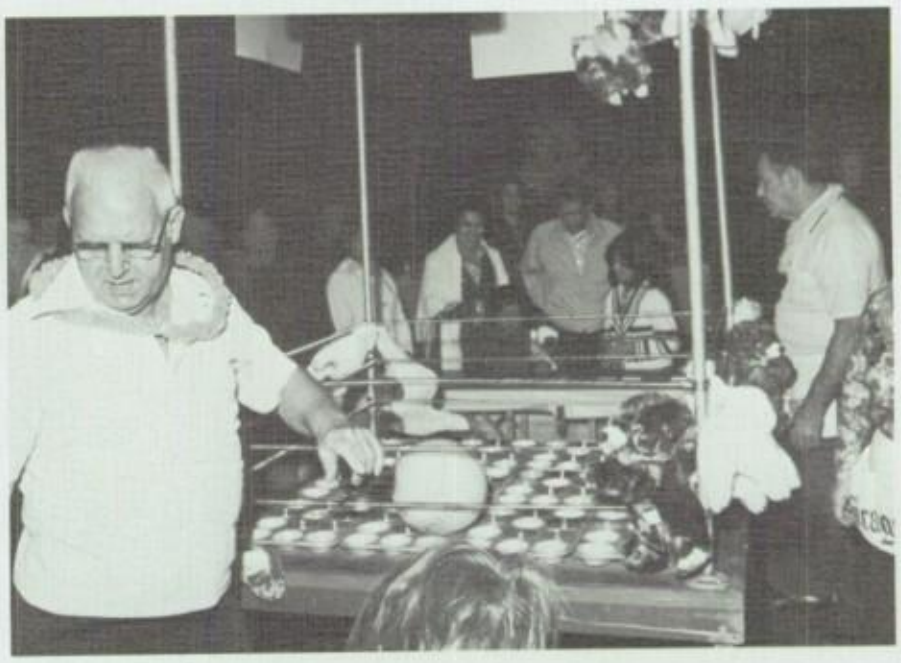
On the weekend of October 27-29, the Gordon Tech Mothers and Fathers Clubs presented the Fall Festival in the cafeteria and gym. The Festival had a variety of games, prizes, and foods plus live entertainment. As usual a Las Vegas style atmosphere prevailed but in the gym this year. On the short balcony, the Mothers Club had bingo for those who wanted to play. A Hawaiian style night club with live musical entertainment was featured on the long balcony.

In the cafeteria there was added room to eat and a different meal was served each night. For those who wanted a different taste in food, there was a German beer garden serving beer and an assortment of attractive German pastries.

One of the main events of Fall Festival was the raffle. The books sold by students grossed approximately $39,000. Since the amount was so close to the $40.000 goal, the Monday after the festival was declared a free day by Fr. Mitrenga.

The dealers at the pokers tables provided a real Las Vegas atmosphere.

Clowns attracted youngsters throughout the festival.



Crazy Ball was a game for all ages to play.

Alumni Board

The purpose of the G.T. Alumni Association is to develop and foster a quality alumni representation. The activities of the group includes social functions for the members and fund raising projects to assist the school. As they did last year, the association presented each graduate with an alumni lapel pin at the graduation ceremony.

During the Thanksgiving holidays an Alumni Disco was held. Many friendships among graduates were renewed. Several class reunions are also being planned for the coming years by the association.

The movie, "Saturday Night Fever," inspired the alumni to get up and dance.

Resurrection Awards Dinner

On Saturday, April 7, 1979 the priests and brothers of the Gordon Tech Community held the annual Resurrection Awards Banquet. Everyone who is invited to attend this dinner is invited so that they may be thanked personally by the religious of Gordon Tech for the help they have provided them in their ministry over the year.

Each year a few people are singled out as recipients of the Resurrection Award. This year there were six recipients: Mrs. Eva Fuchs, Mr. and Mr. Ernie Raatz, Mr. and Mrs. Al Gienko, Mrs. Harriet Bartkowski, Mr. and Mrs. Steve Bednar, and Mrs. Antenisca Nardi.

The recipients of the Awards pose with Fr. Mitrenga for pictures:

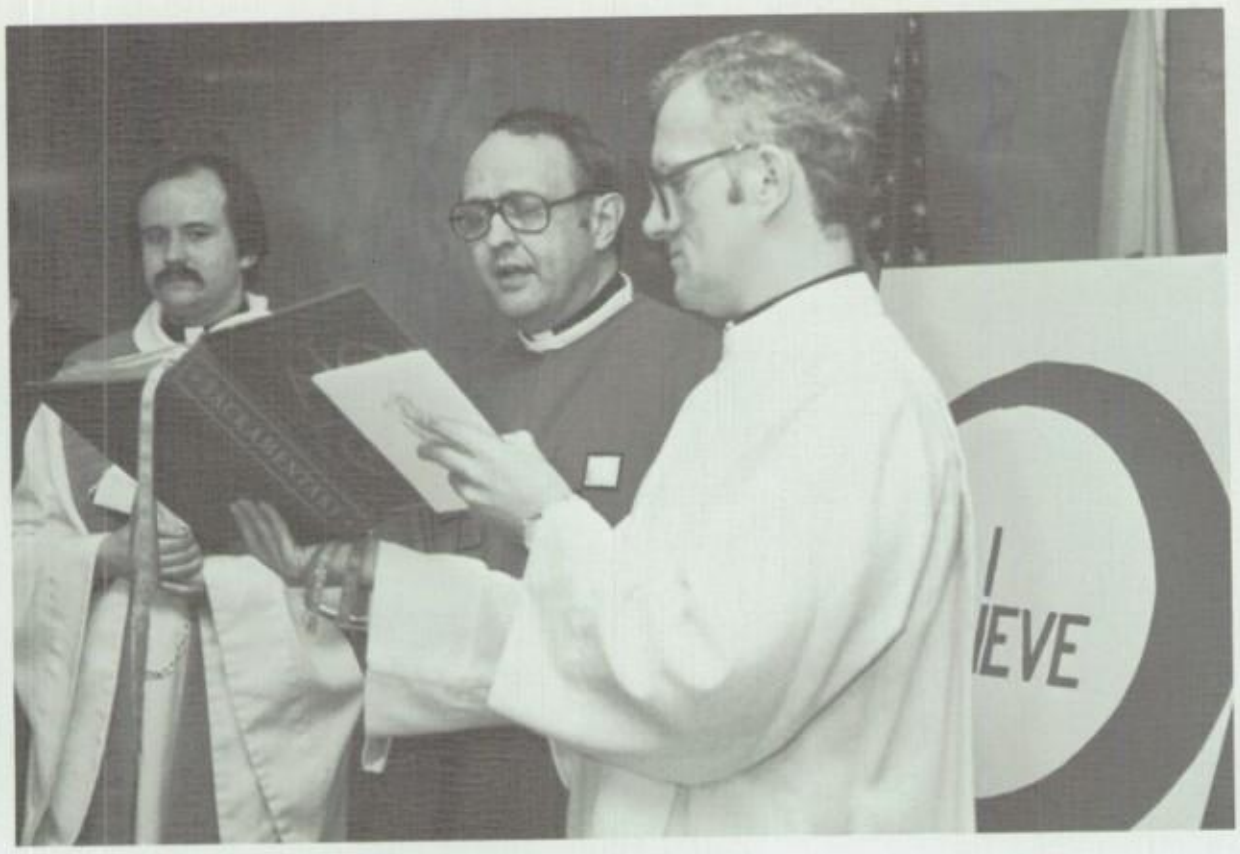
Mr. and Mrs. Ernie Raatz who assist at sock hops and are active in Mothers Club, Fathers Club, and Alumni functions.

Mrs. Eva Fuchs an active Mothers Club member who devotes a lot of time to Development Office work.

Mr. and Mrs. Al Gienko who are both active in parents clubs, fund-raising activities, and give technical help around the school.

Mrs. Harriet Bartkowski who is devoted to the Mothers Club's Bingo fund-raising activities.

CLOCKWISE:

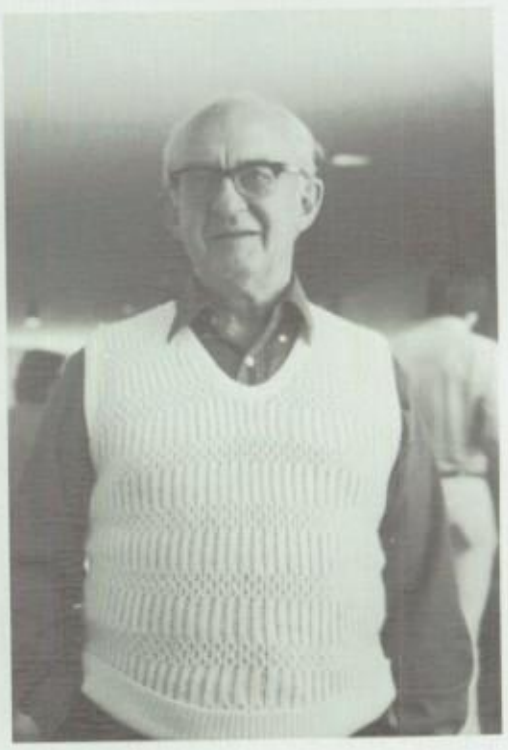


Fr. Mitrenga reads from the prayer book as Brother Hallas assists and Fr. Helminski stands by.

The Master of Ceremonies for the evening was Fr. Don Zinn.

The two men pictured below Mr. Harry Mindak (top) and Mr. Ted Sadowski are past recipients of the Resurrection Award. Both are retired men who spend many hours a week working in school offices as volunteers. Mr. Mindak serves in the Business Office and Mr. Sadowski in the Bookstore.

All the priests of Gordon Tech joined in the concelebrated Mass of Thanksgiving.



GORDON'S RESURRECTIONIST COMMUNITY

The theme of the evening was thanks and service; Fr. Al Kocon assists at the serving of dinner wine.

Fr. Helminski enjoyed spending a social evening with the friends of Gordon Tech.

Thanks All Who Helped Them in Their Ministry

Fr. Blaski spent a good deal of time socializing during the cocktail hour.

Assistant Principal Fr. Fred Ciesla also served at table for the invited guests.

Spanish Club

This club's goals are to increase student awareness of the various cultures of Spanish-speaking peoples; to give students the opportunity to experience certain aspects of these cultures that have contributed to and enriched their own heritage as Americans. The club sponsors dances, field trips, and joint meetings with Spanish clubs at nearby schools.

Italian Club

This club's one purpose is to promote an appreciation for the Italian culture. Each year members and other interested students are invited to attend a field trip to the Lyric Opera. Throughout the year, Mrs. Nardi invites well known people in the Italian community to be guest speakers on various cultural matters.

German Club

The German club sponsors several activities throughout the year: ski trips, bowling nights, dinners, picnic, and functions with other schools. A regular fixture in the fall calendar of Gordon Tech is the annual Oktoberfest.

Polish Club

The primary activities sponsored by the Polish club are dances, or more specifically "Discos". The money which is raised from these functions is used to purchase classical reading material which the club donates to the Gordon Tech library.

Korean Club

A new club Gordon this year is the Korean Club; it has been very active. The club sponsored a Parents Appreciation Meeting early in the year to familiarize the club members' parents with Gordon Tech. Fr. Mitrenga and Mr. Lee, the Consul General of South Korea, were the main speakers. The club also sponsored two disco dances and sponsored a party with the Korean Club from St. Scholastic High School.

Rugby Club Survives First Season

Gordon's newest club, the Rugby Football Club, played four "A" games and four "B" games in its first season. The "A" team split two games with Loyola, defeated Evanston 8-6, and lost to New Trier West. The "B" team won only once, knocking off the Cowboys of New Trier West.

Coaches John Urban, John Gruber, and Bill Wynn from the Ram football staff organized the Club, and its members were candidates for the '79 football team. The players chose Bob Maibuecher and Mark LaFramboise captains. Junior Glen Zyks had the honor of scoring the first goal ever for the Rams in the 16-14 victory over Loyola.

The Rams had a successful first season and are looking forward to next season, when an experienced group of seniors will anchor a truly competitive team.

Fullback Pat McAvoy fights for balance as he and Forward Joe Luciano race a trio of Ramblers for rights to the elusive oval.

Referee Rich Clark, grimaces as the scrum collapses in the "B" game against Loyola.

Forward Ken Rausch controls the ball with one hand as he fends off a would-be tackler from Loyola.

Fly half Cary Lewandowski bolts through an opening after a successful scrum down by the Rams.

The Rams are on the move as scrum half Tim O'Brien breaks upfield against Loyola.

Occupational and Distributive Education Dinner, April 25, 1979

An appreciation dinner for the employers of the work study program was held. Both Mr. Vincent Sasvino, the director of the Distributive Education program and Mr. Jim Szymanski, the director of Occupational Education were in attendance to present awards to the employers and students. Mr. Nicholas Malinski, the Curriculum Director presented the awards to the employers that night.

After working for a year in the program, Juan Fernandez and employer are congratulated.

Mr. Vincent Salvino, Mr. Nick Malinski, and Mr. Jim Szymanski take time out for a picture after a well-planned dinner.

Upon finishing his dinner, Ed Skowronski awaits his plaque.

C.I.B.L.

This year, for the first time since the 1973-74 season the Gordon Tech Senior Rampin bowling team did not finish first in the North Section of Catholic Interschool Bowling League (C.I.B.L.). They finished second to their archrival Weber in their North Section, but finished only fourth in the C.I.B.L. competition for the 1978-79 bowling season, losing again to a very strong Weber team by a score of 4 to 0.

The Gordon Junior Varsity Rampins captured the C.I.B.L. Junior Championship trophy. Leading the Jr. Rampins was sophomore Dave Tamraz with a 183.77 average.

Front Row: Jim Wyslak, Larry Spejcher, Steve Nasternak, Joe Hendrickson. Back Row: Coach Eugene Wleklinski, Scott Pittman, Frank Luksa, Phil Lynch, Joe McMahon. The purpose of the Bike Club is to promote bicycle riding as a healthy means of recreation. Members are taught correct methods of caring for and repairing of their bicycles. Overnight bike trips to Illinois Beach State Park, plus their annual cycle-cross are just a few events they sponsored.

Railroad Club

The Railroad Club is organized for students who have an interest in model railroading. To the inexperienced hobbyist, adivce and direction will be given concerning car repairs and track layout. Field trips to several railroad yards were planned to spark interest in the club.

Front Row: Steve Wozny, Tim Pitzen, Tony Dziewiontka, Bryan McMeen, Tom Boyn. Mural Club

The G.T. Mural Club's purpose is to enhance the present environment of the school through the creative talents of interested student artists. In the past, members have a mural in the school cafeteria, whose theme is, "History of American Music" and a mural in the main lobby. But their one mural which totally involved the entire Gordon Tech community was the 25th Anniversary Mural, which depicts the many services supplied by Gordon Tech over the years. This year members have painted a mural which is above the entrance of the library.

All of their murals have been colorful and powerful statements that encourage a sense of pride, self-respect, and student identity. The club plans to continue displaying their talents in other parts of the school.

After-School Activities Occupy Students' Time

Chess Club

The Chess Club is organized for the benefit of the students who want to learn the game of chess and it provides the student body with worthy competition. Members meet on a regular basis to have matches and to learn new strategies of the game of concentration. There is ample opportunity for the beginner and the advanced player in the Chess Club.

Speech And Debate

This past season had some lows as well as highs for our Forensic teams. We competed in the Chicago Catholic Forensic League, just missing the national cut-off in debate and in events. Also, for the first time in 3 years, we had a qualifier in two final rounds at the I.H.S.A. District Speech Contest.

For the 1st time, most valuable speaker awards were given as an incentive and a reward for fine work done. With this year's newcomers gaining necessary experience and next year's larger team, the G.T. Speech and Debate Program hopes to have even more successful seasons in the future.

Front Row: Luis Galvez, Brian Ruehl. Second Row: Robert Nolan, Fred Karutz, Horacio Ledesma. Third Row: Scott Lundgren, John Vispoel, Anthony Cho, Samuel Nam, Peter Chiodo, Mr. Michael Colletti, David Hochfelder.

Hockey

Under the direction of the coaching staff of Mr. Dick Tanaka and Mr. John Tamraz, the Gordon Tech "Skating Rams" had a season to be proud of. The "Skating Rams" compiled a 14-8-3 league record and a 18-11-3 overall record.

The team came in second place in the northeast division of the Chicago Metropolitan Hockey League, losing to Weber 5-2 in the finals.

These two hockey players appear just after a tough game.

Physical Fitness Team

Continuing its proud tradition, the G.T. Physical Fitness Team again captured the coveted 1st Place for the Illinois state title in the annual Marine Corp Fitness Test. Gordon had a combined score of 2019 points, 2nd Place went to West Leyden with 1981 points, and 3rd Place to Lane Tech with 1960 points.

On March 1st, the Physical Fitness Team held their popular Fitness Team vs. Geritol Gang competition. The students did a fine job beating the Coaches 2,131 to 1,871. There were many students in attendance, with the proceeds to be used to buy new uniforms.

As is necessary with any type of training, the Physical Fitness Team stretches before exercising.

The Blizzard of Seventy-Nine

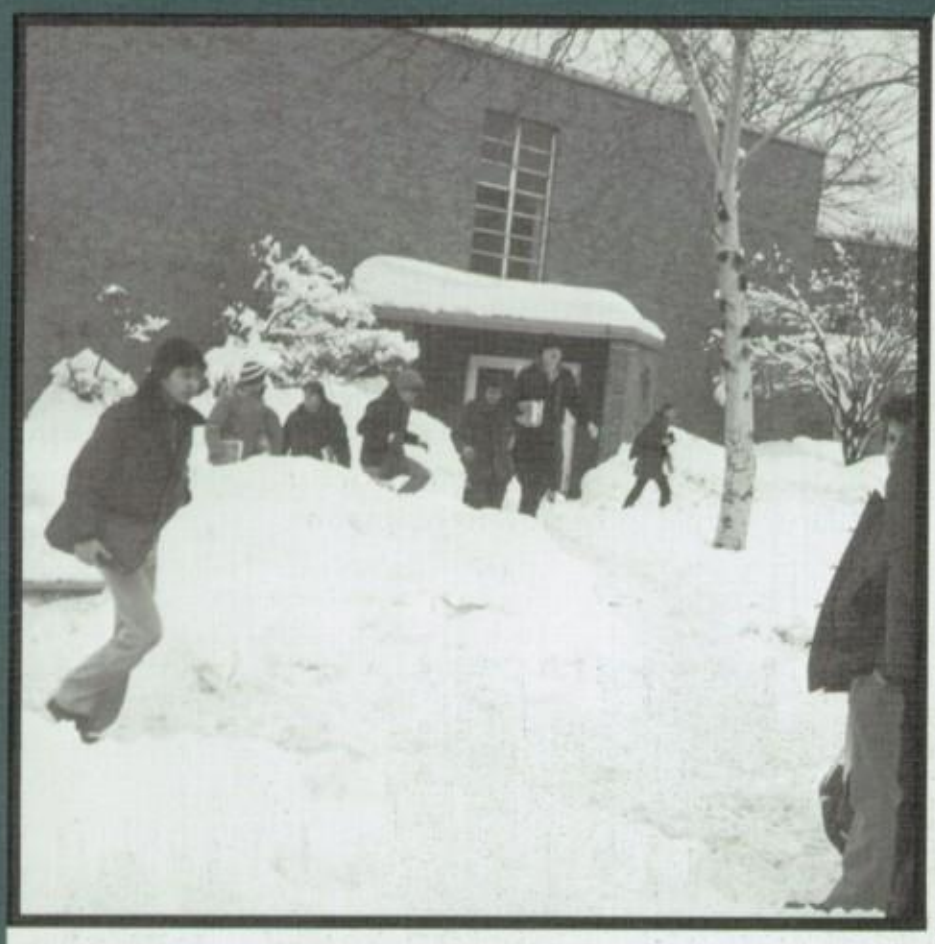
As everyone knows, Chicago experienced the worst winter in the history of the city this year. For those who could remember, this winter was a repeat of the Great Snow of 1967, but worse. Neighborhoods were scattered with abandoned cars because of the lack of plowed streets and parking lots.

Without use of their cars, people had to resort to public transportation to get around. Reports from City Hall stated that the C.T.A. was functioning as best it could under the conditions. The chaos with the C.T.A. was one of the major reasons for Mr. Bilandic's failing to be elected in his primary race against Mrs. Byrne.

Here at Gordon Tech, we were closed the week of January 15th through the 19th. Plus, January 24 was a free day in order for the school's roof to be checked for excessive snow. One of the good points about the blizzard was that it brought people, who had a common goal to remove the snow, together. The talk for next year seems to be that the city will spend millions of dollars for snow removal equipment.

Students wait patiently for their bus to arrive during the winter.

The cold weather makes everyone more cooperative, as students anxiously but orderly take their seats on the bus.



Making their way out of school, was reminiscent of a battlefield.

Most students were in a hurry to get home to help their family and neighbors deal with the snow problem.

At times, there was just no place to move the white stuff.

Students banded together to get a seat on the bus home.

Once the snow subsided, it was easy to remove it.

Drama

This year the Northwest End Community Theatre no longer is formally based at Gordon Tech. The Drama Director for this year was Mr. Graziano Marcheschi; the play presented was *Dracula*.

The theme of Count Dracula basically focuses on the human struggle between man and monster, the power of good against the strength of evil; the setting of the play is during the 1930s.

A rehearsal time of twenty weeks was given for the production; there were a lot of problems the cast had to share. After casting had been completed, Lisa Leckert, chosen to play Mina Murray, broke her back. A replacement was sought and production continued. Lisa got well and we had two Mina Murrays. Other problems: the width of the stage and the length of the coffin: Mike Irvine is 6'2"; his coffin as Dracula was six feet long - a tight squeeze.

The cast consisted of Mike Irvine as Dracula, Lisa Leckert and Patty Sietz as Mina Murray, Dave Beatovic as Jonathon Harker, Bill Mann as Dr. Seward, Lazaro Castillo as Professor Van Helsing, Mike Grenz as Hennessey, and Michael Patrick Hart as Wesley.

The Drama Club also presented a talent show at the end of the school year.

Mina Murray (Liza Leckert) talks to Dr. Seward (Bill Mann) about the problem around the insane asylum.

Wesley (Michael Hart) realizes this is the one and only Dracula.

Renfield (Tony Salva) tells of his adventure in the Insane Asylum.

Van Helsing (Lazaro Castillo) is introduced to the resident Mina Murray (Liza Leckert).

Gothic Drama on Gordon Stage

Dracula (Mike Irvine) escorts Mina Murray (Liza Leckert).

In the final moments Van Helsing (Lazaro Castillo) and Dr. Seward (Bill Mann) strike the spike into the heart of Dracula.

Dracula (Mike Irvine) shows one of his many powers by putting Sybil (Monica Degnan) into a trance.

Jonathon Harker (Dave Beatovic) comforts Mina Murray (Liza Leckert).

Van Helsing (Lazaro Castillo) and Jonathon Harker (Dave Beatovic) discuss the problems of Dracula.

Club Day

Each year the Student Council sponsors a Club Day to introduce freshmen and new students to the various Clubs and activities at Gordon. Each club and organization put up displays in the gym area to encourage new membership and to familiarize students with their purpose.

This year students were brought down to the gym area from their math and study hall classes to view the displays. The Student Council hopes that by having Club Day the students will become aware and get involved in the Gordon Tech Community.

Student Council

The Student Council of Gordon Tech is organized to supervise student activities and aid the school's clubs and organizations to build school spirit. This year, they sponsored their annual Club Day, which attracted a number of interested students. The Student Council has been responsible for organizing the G.T. Homecoming Dance and activities. In keeping with the theme of Homecoming, the "Circus," students were able to attend an outing to the Ringling Brothers, Barnum and Bailey Circus.

A new event that took place twice was the "Battle of the Bands." One of the winning bands, La Crosse had the opportunity of playing at a G.T. sockhop. On February 18, the Students Councils of Gordon Tech and Good Counsel High School held the first annual "Challenge of the Sexes." G.T. won the competition by winning 8 of the 11 events. The Council also sponsored two roller skating parties.

A challenging game of chess is offered at Club Day.

Students were able to move freely from club to club.

Front Row: Joe Cortese, Gary Rifka, Bill Callister, Bogdan Wozniak. Second Row: Marty Calkins, Bruce Mann, David Arguijo, Mark Thomas, Bill Frey. Back Row: Miguel Diaz, Rich Thomas, Joe Skrypek.

Student Council

At the roller skating party, people seem to enjoy the company of their friends.

A popular exhibit at Club Day was given by members of the Martial Arts Club.

Big Brothers

Big Brothers consists of seniors who are members of the Student Council. Some of the duties of the Big Brothers are to help the freshmen with the new surroundings. Another duty is to promote involvement of the student body in extracurricular activities. Among the events held solely for the freshmen was the Freshman Dance. There were many girls from neighboring schools in attendance. Many new friendships were started at the dance.

This year, to distinguish themselves from other seniors, Big Brothers purchased orange and white shirts with their insigna silkscreened on them. Also for the benefit of the freshmen, a raffle was held. Sweaters and many other prizes were raffled off.

Front Row: Steve Czarniak, Mike Cleary, Ben Mazzone, Pat Mazzone, Lazaro Castillo, George Juszynski, Fr. Greg Helminski C.R. Standing: Ted Nowak, Greg Tenczar, Mike Peterson, Ron Rozek, John Boehm, Dave Beatovic, Ed Gomez.

The girls from Good Counsel appear to have jumped off to a quick start.

Being such an important event, both sides prepare to get psyched-up.

Fr. Greg patiently awaits the arrival of students to Club Day.

RAM PAGE

Gordon Tech's weekly newspaper is the *Ram-Page*. The basic purpose of the newspaper is to publish news for and about the student body. This year, the staff published twenty-four editions. The paper contains news stories about events happening around the school, information on upcoming events, and articles of interest to the student. On the more serious side of the newspaper, there is an editorial and letters to the editor column.

Some staff members take part in a journalism course which is taught by the moderator, Mr. James Dermody. Through the course and their work on the newspaper, the students learn many aspects of journalism. Besides working on the newspaper, students also produce the *Ram-Review,* a magazine describing Gordon's athletic achievements.

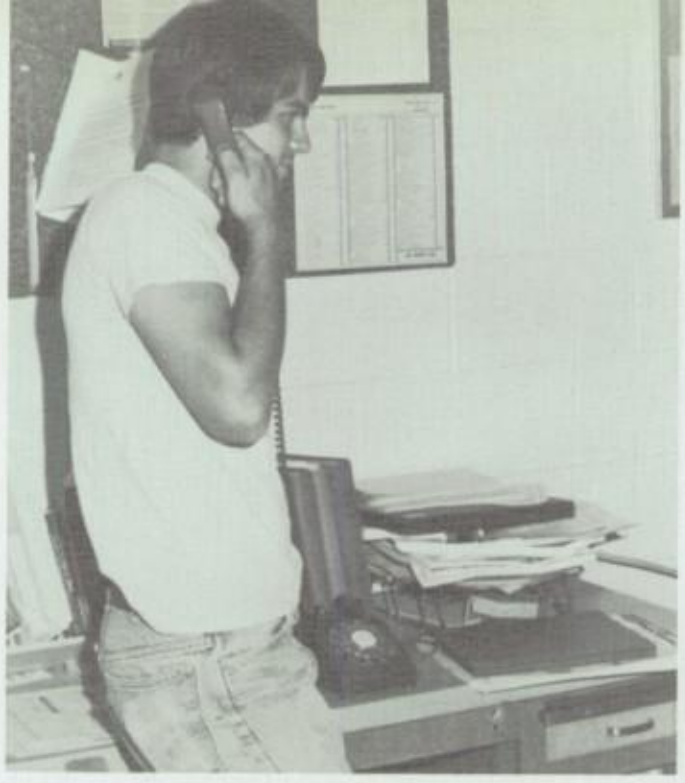
TECH-Log

The main purpose of the school yearbook is to provide a history of the school year. A yearbook is for the future; it will be the stimulus to many happy memories of high school days. The staff attempts to provide an accurate and thorough record of the events of the year in pictures and words.

During the year information is collected, pictures are taken, identifications are established, layouts are drawn, copy is written, and a design for the book is established. The staff makes all the major decisions on design, photographs, and copy.

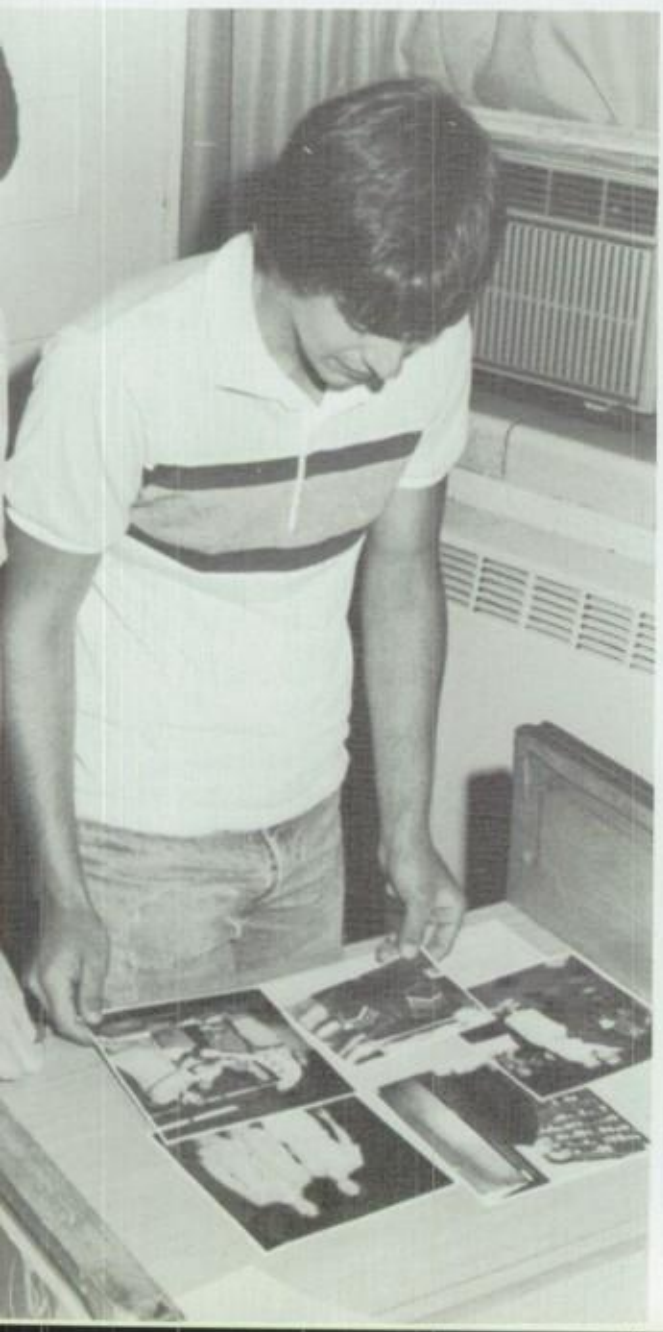


Senior Editor Greg Tenczar calls the records office to check on a student's name.

Mr. Perrin looks over some layouts that Mr. Mitchell is preparing for the staff.

Michael Hart looks over some old issues of the RAM-PAGE while preparing copy for the Drama section.

Senior Editor Bob Fedinets prepares the Club section from moderators and students information sheets.



Bob Fedinets and Greg Tenczar consider appropriate layout for a page in the closing of the book.

Sports Editor Mark Hammerschick worked with representatives of all the varsity teams to complete his section of the book.

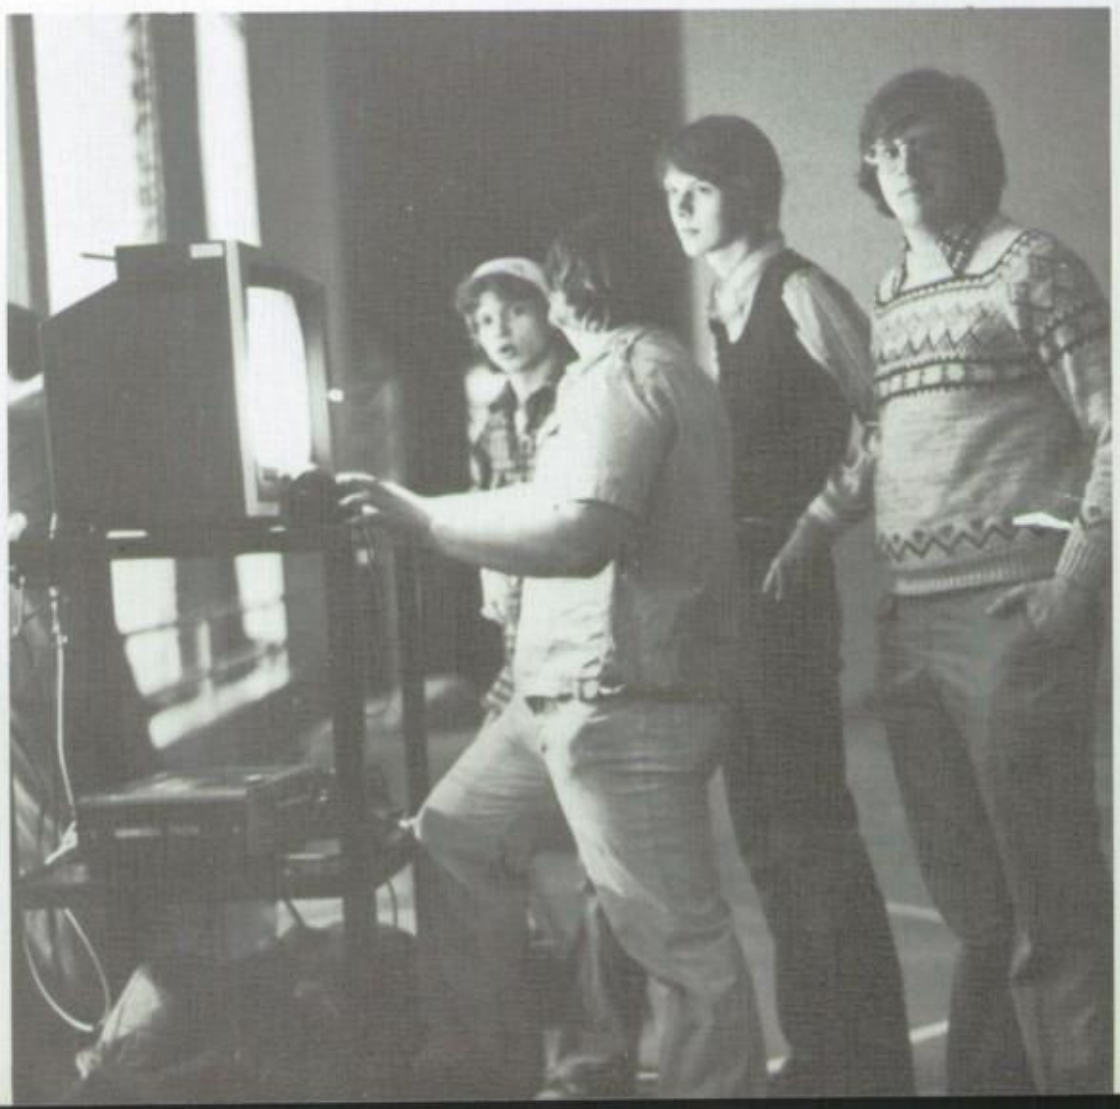
W.K.G.T.

Seated on floor: Tony Borkowski, Ray Samuelson, Bill Artz. Second Row: Dave Grossmayer, John Spitza, Mark Nilson, Kevin Besetzny, Roman Jaskiewicz, Mark Jasiuk, Jeff Mueller, Third Row: Chris Skrundz, Joe Osowski, Robert Sholtes. Back Row: Frank Petrone, Wally Filla, Joe Striegel, Jose Ayala, Tom Zoch, Mark Peters, Lou Visconti, Luis Scaramuzza, David O'Brien, David Humpa, Ray Gonzales, Jesus Alvarado.

G.T.'s own closed circuit television station W.K.G.T. is a valuable service to the students and faculty. The studio produces instructional video tapes which teachers use in their classrooms. They also broadcast entertainment shows such as Sports Forum for study halls to watch. But while staff members provide a service to the school, they also increase their knowledge of television, exposing them to a possible career consideration.

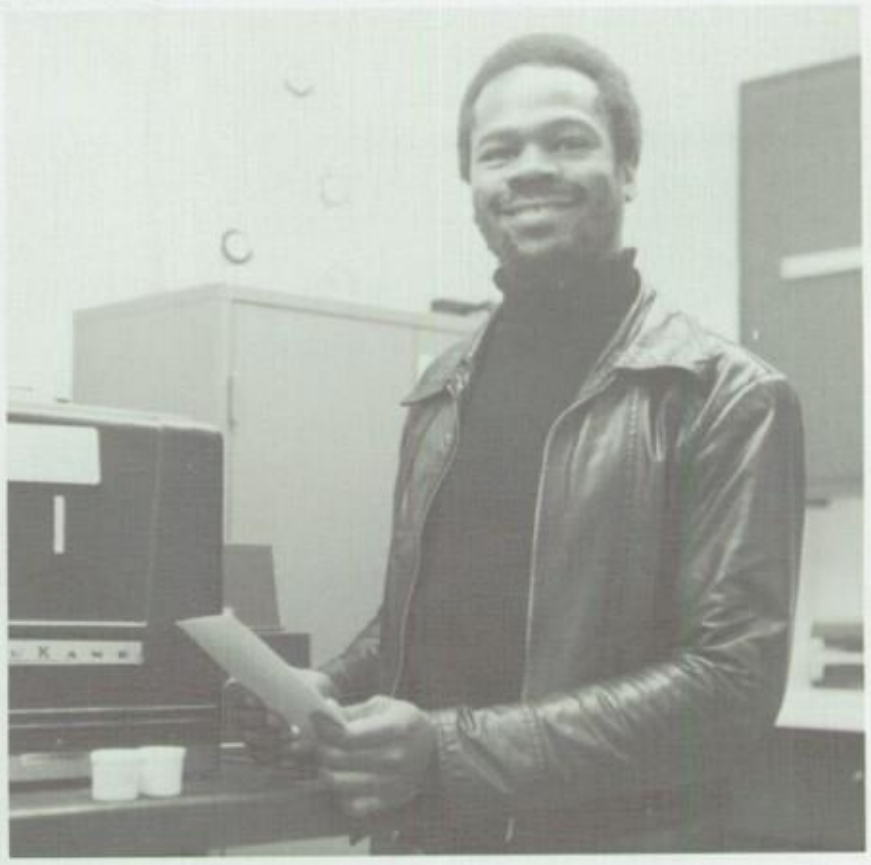
Dave O'Brien operates the camera during a taping of a Rams home game.

During halftime, the crew checks the quality of the recording.



CHIEFS OF STAFF

Mr. Morris, James Bartel, Frank Talesky, Kenneth Presti.



Elmo Robinson, a worker in Media Services prepares a piece of equipment to be sent out.

Mr. Piagentini makes use of an overhead projector in his presentation to the class.

Media Services

Media Services maintains all of the projectors, screens and films of the school. Since Gordon Tech is a large school, the staff is kept quite busy making sure that equipment is functioning properly. The Media Services can boast of having the latest audio and visual aids available for use to both the students and faculty.

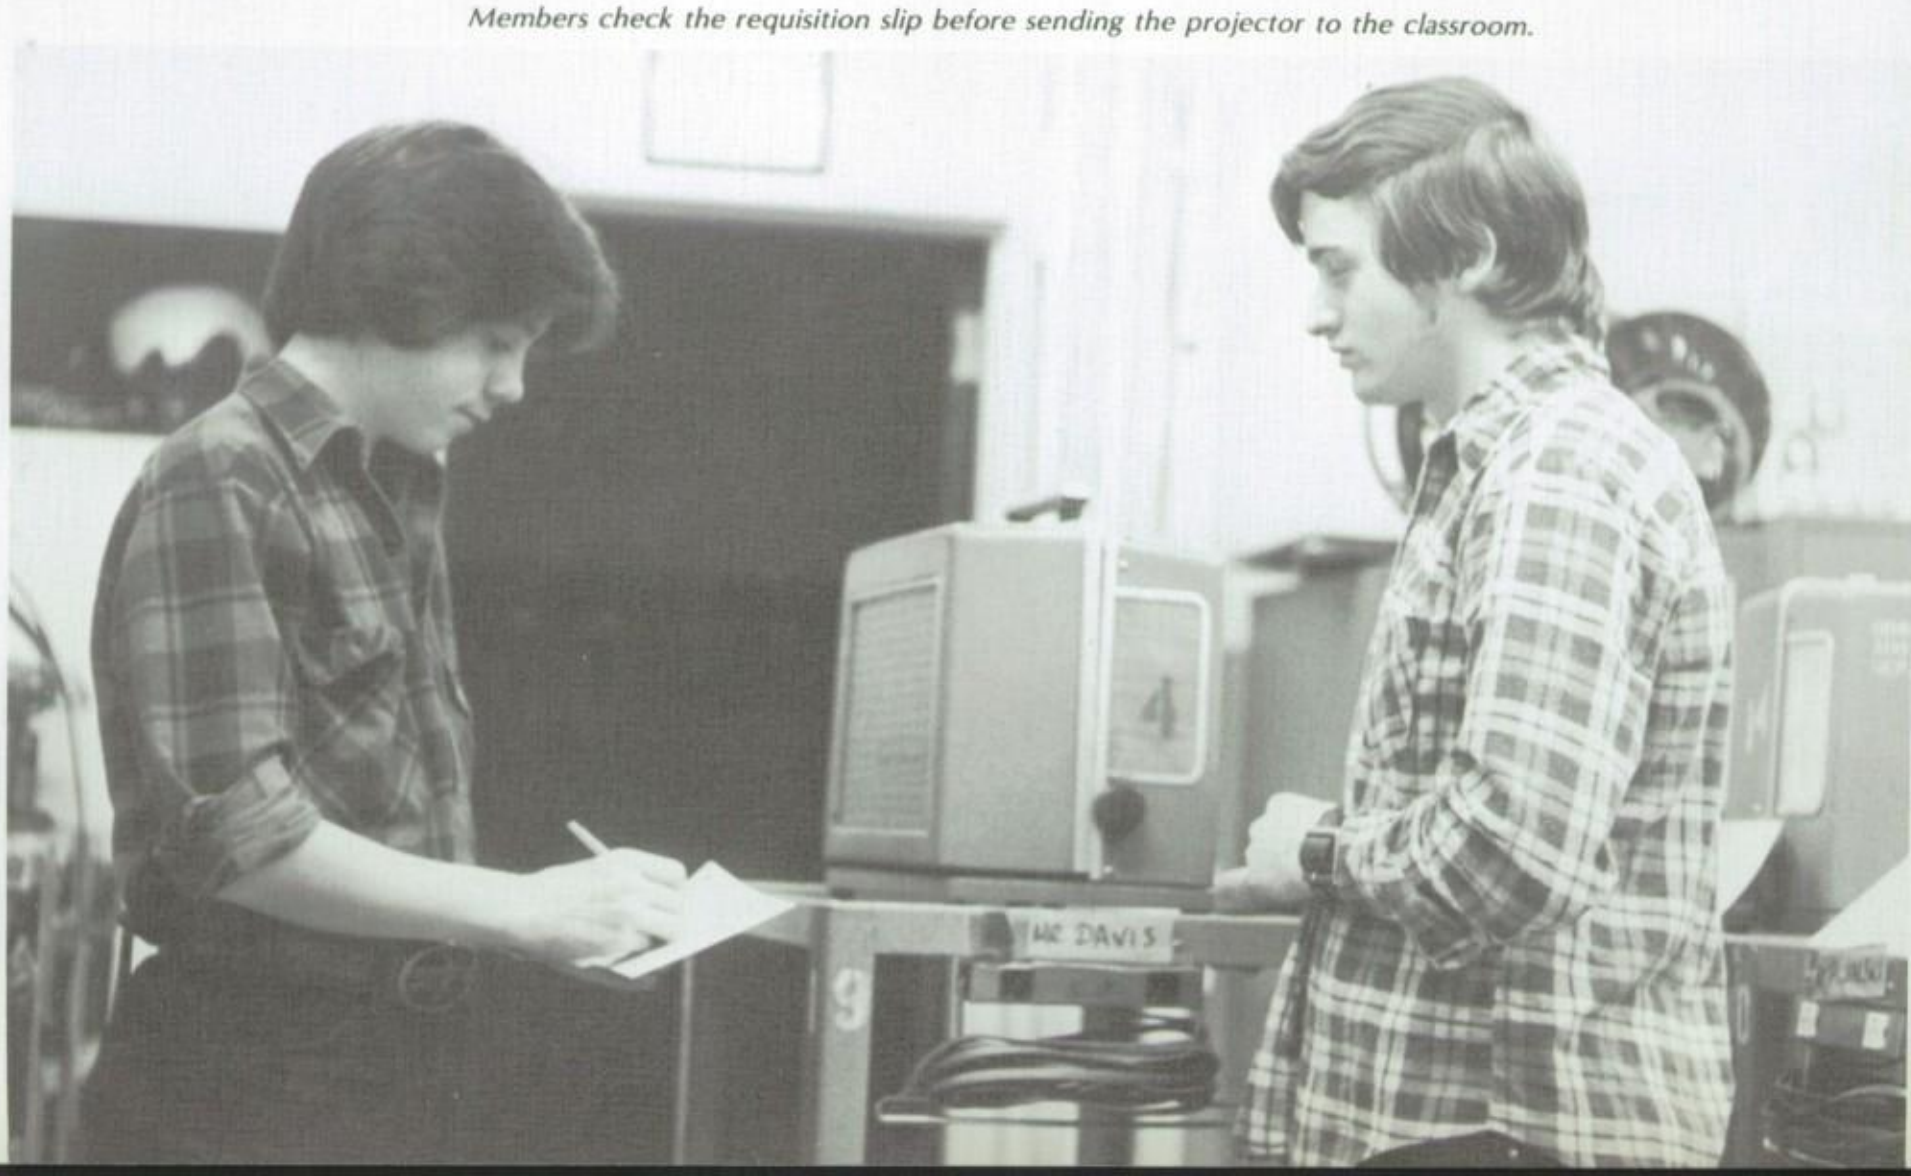
In addition to the films and filmstrips that Gordon owns, staff members also pick up films, tapes, and records which teachers requisition from outside sources.

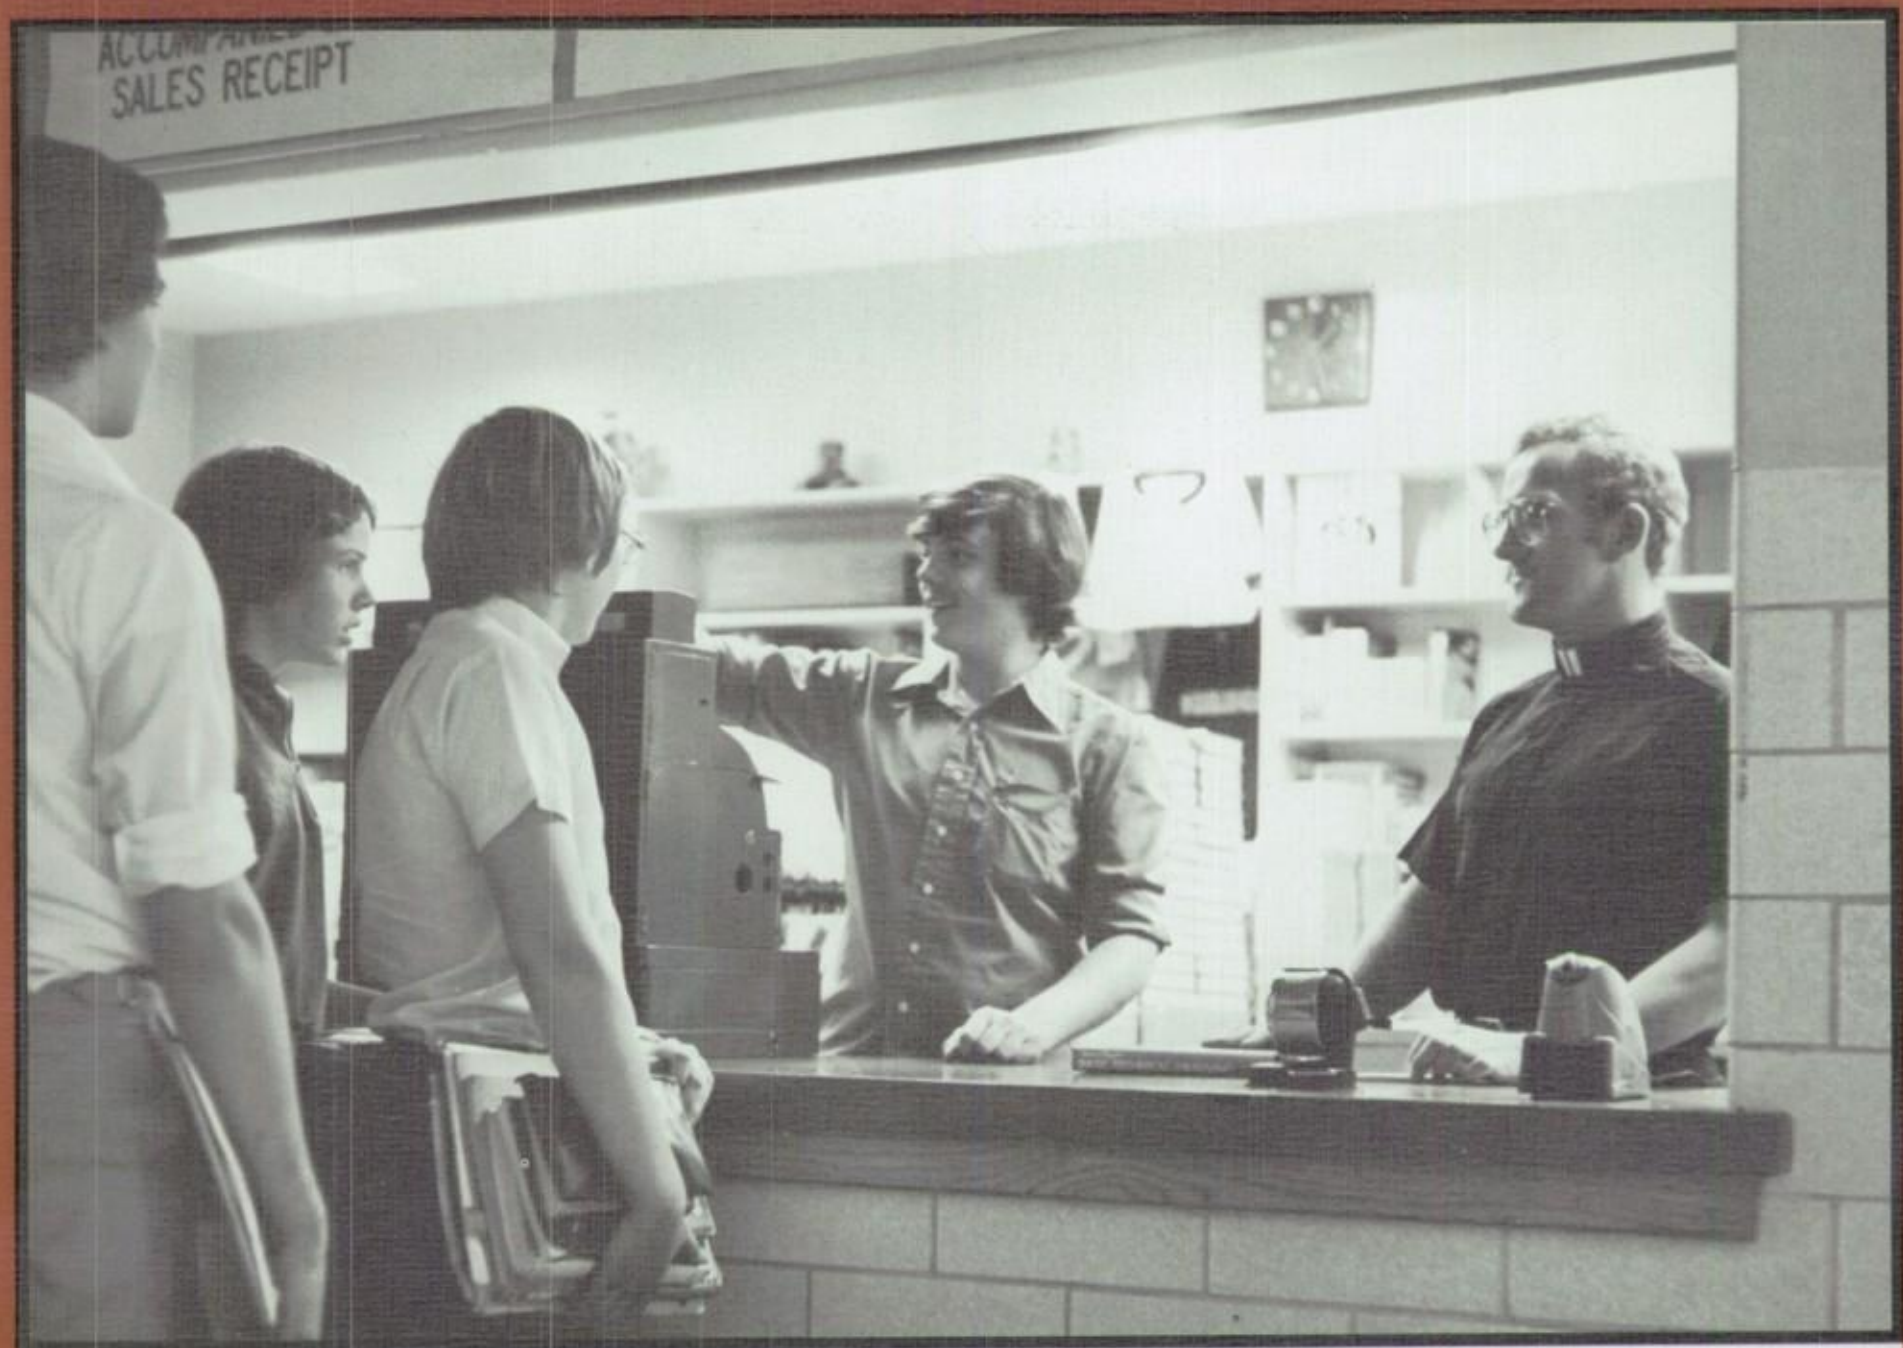
Seated: Steve Sielski, Daniel Majewski. Standing: Darren Mack, Jess Mehl, John Mirus, Scott Wanner, David Wright, Mr. Morris, Jim Chernich.

A staff member replaces a burned-out light in an overhead projector.

David Wright appears to understand the workings of a complicated projector.

Members check the requisition slip before sending the projector to the classroom.





Bob LaPlume and Bro. Hallas both attend to the needs of students at the bookstore.

Bookstore

The Bookstore, under the direction of Brother Bill Hallas, C.R., supplies students with the tools of the trade, namely textbooks. Besides books, a variety of school-related items are offered to the students. Through the Bookstore, one may buy school jackets, G.T. tee-shirts, warm-up suits and an assortment of gym wear.

Since Gordon Tech sponsors many fund raising events by the Fathers and Mothers Clubs, there is a definite need for publicity to encourage attendance at these events. For two straight years, sophomore Mike Oomens has been responsible for keeping an up-to-date marquee, which is viewed everyday by thousands of people as they drive by.

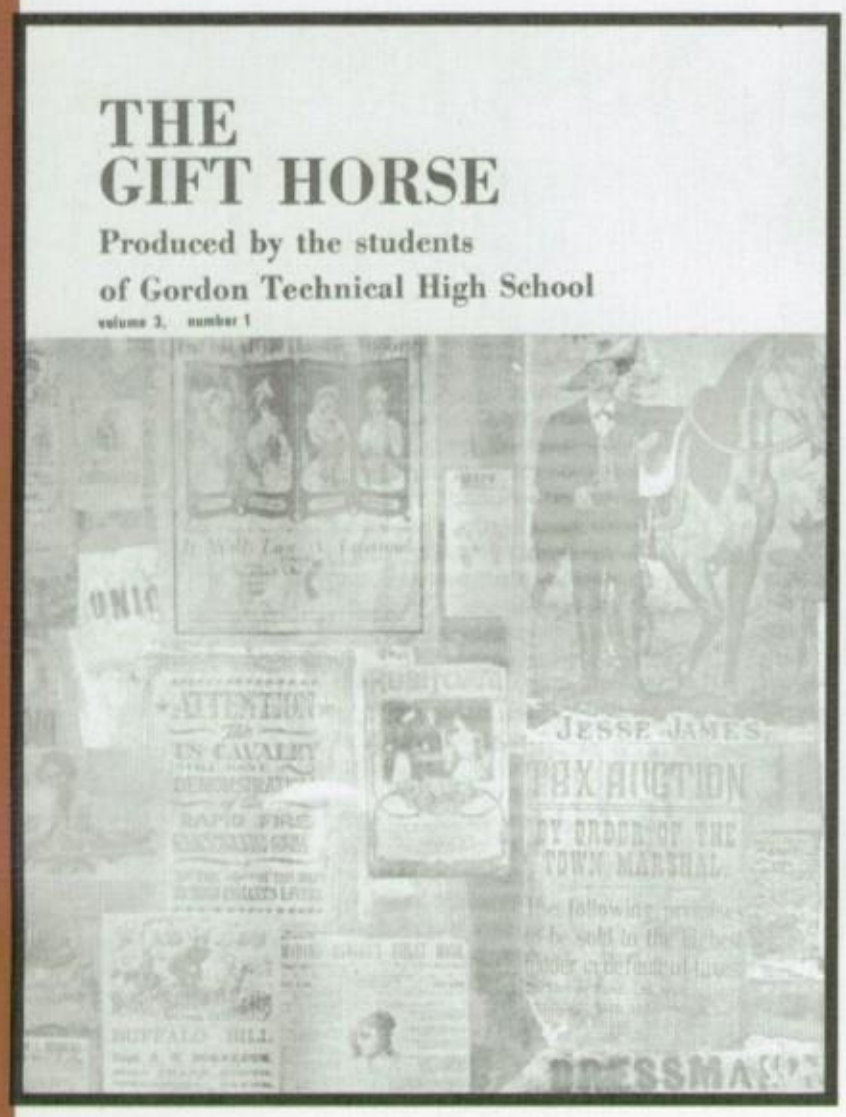
Marquee

Sophomore Mike Oomens poses in front of the marquee.

Writers' Workshop

The literary magazine of the school is produced by members of the Writers' Workshop. The magazine is called, "The Gift Horse," and is under the guidance of Mr. Mike Hebda and Mr. John Kurland. There is a special need for a creative outlet for the talents of G.T. students and faculty, besides in the classroom. This outlet, "The Gift Horse," consists of both literary and graphic forms of art.

Sitting: Tom Weyers. Kneeling: Ted Rosa, Mark Karall. Standing: Mr. J. Kurland, Mr. Mike Hebda, Don Bourbon, Don Anderson, Bill Callister, Tom Dyja.



Stage Crew

The Stage Crew, a service activity, has been responsible for the lighting, set construction, props, costume and sound crews for the 1979 G.T. production of *Dracula*. The crew also provides assistance and equipment for a variety of school activities ranging from sockhops to band concerts.

Front Row: Mark Lundren, Mr. Graziano Marcheschi, Jack Brociek. Second Row: Bill Kulterman, Paul Mueller, Chris Hoffman, Craig Beatovic. Third: John Lynch, Mike Oomens, Jeff Mueller, Jim Bove.

Student Curriculum Committee

Sitting: Edwin Blaszak, Mr. Nicholas Malinski (moderator), Steven Imparl. Standing: Robert Roumbos, William Konczyk, Peter Munoz, James Bartczak, Fredric Mulvihill (chairman), John Roussos, Michael Griffin, Joseph McMahon (co-chairman), Thomas Superson, Joseph Cortese. (Not pictured: Noel Sadural, Gregory Liput, Alexander Pandis.)

The Student Curriculum Committee consists of a group of students who volunteer their time to assist in the Student Records Office. They spend part of their time working on programing days, with the majority of their time spent helping out with the physical details of the Records Office.

This year, the committee has chosen a new format for the 1980-81 Curriculum Guide to better serve the students in helping them choose their courses. The committee has completed a model department, using Social Studies, in the new format. The format will include what the students can learn, class procedure, grading and text.

Fr. Fred Ciesla, Registrar/Director of Admissions discusses the importance of properly kept records with Mr. Nick Malinski.

Kneeling: Harry Spee, Dave Beatovic. Sitting: Mark Baranek, Charles Shipan (president), Fr. Mitrenga (moderator), James Kelly (vice-president/secretary/treasurer), Steve Ryzner. Standing: Daniel Artz, John Boehm, Michael Sanchez, John Puszkarski, Jose Ayala, Mark Saletnik, Alan Pudelek, Steven Czarniak, Edwin Blaszak, Robert Fedinets, Nelito Abanero.

SENIORS

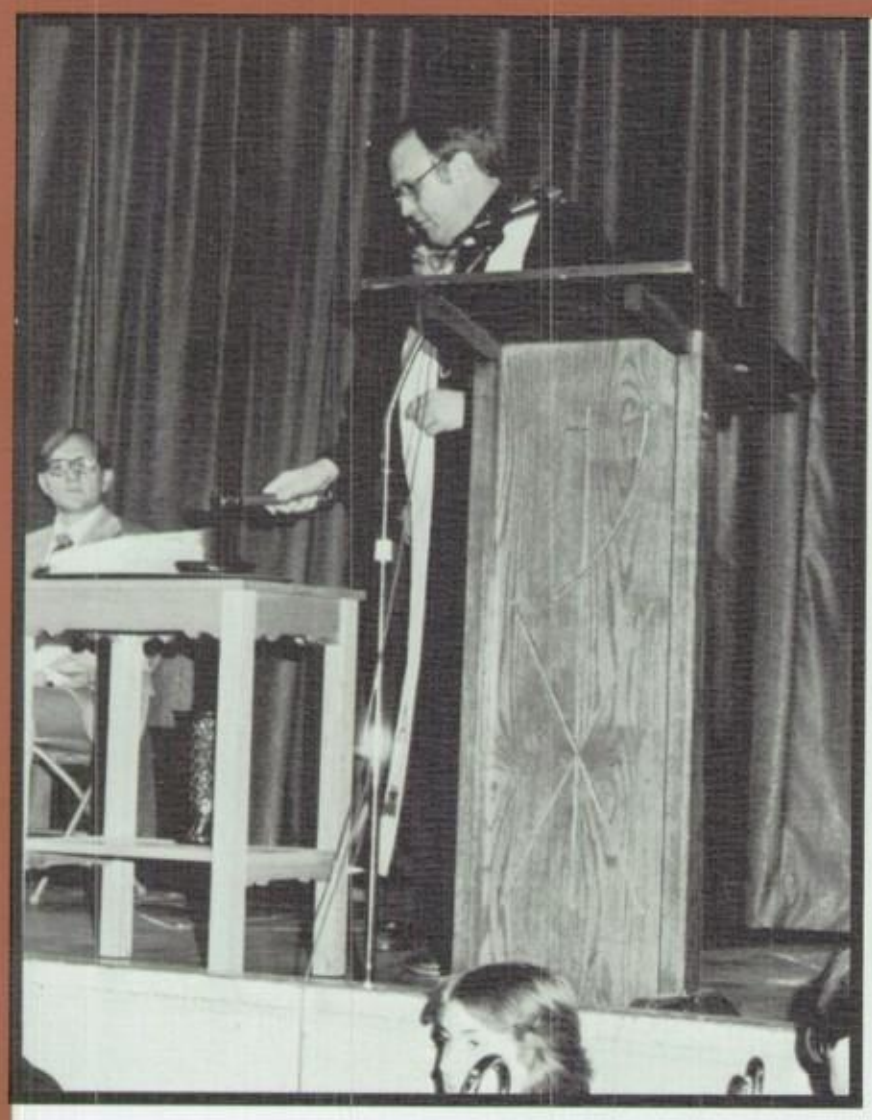
National Honor Society

The purpose of the National Honor Society is to promote the four qualities of leadership, character, service and scholarship. The society requires a 3.40 grade point average for membership. But the student must show those qualities and continue to improve himself in all those areas. A member is always being challenged and tested to show those qualities in his daily life. Since the N.H.S. is a service organization, its work is present throughout the school and community.

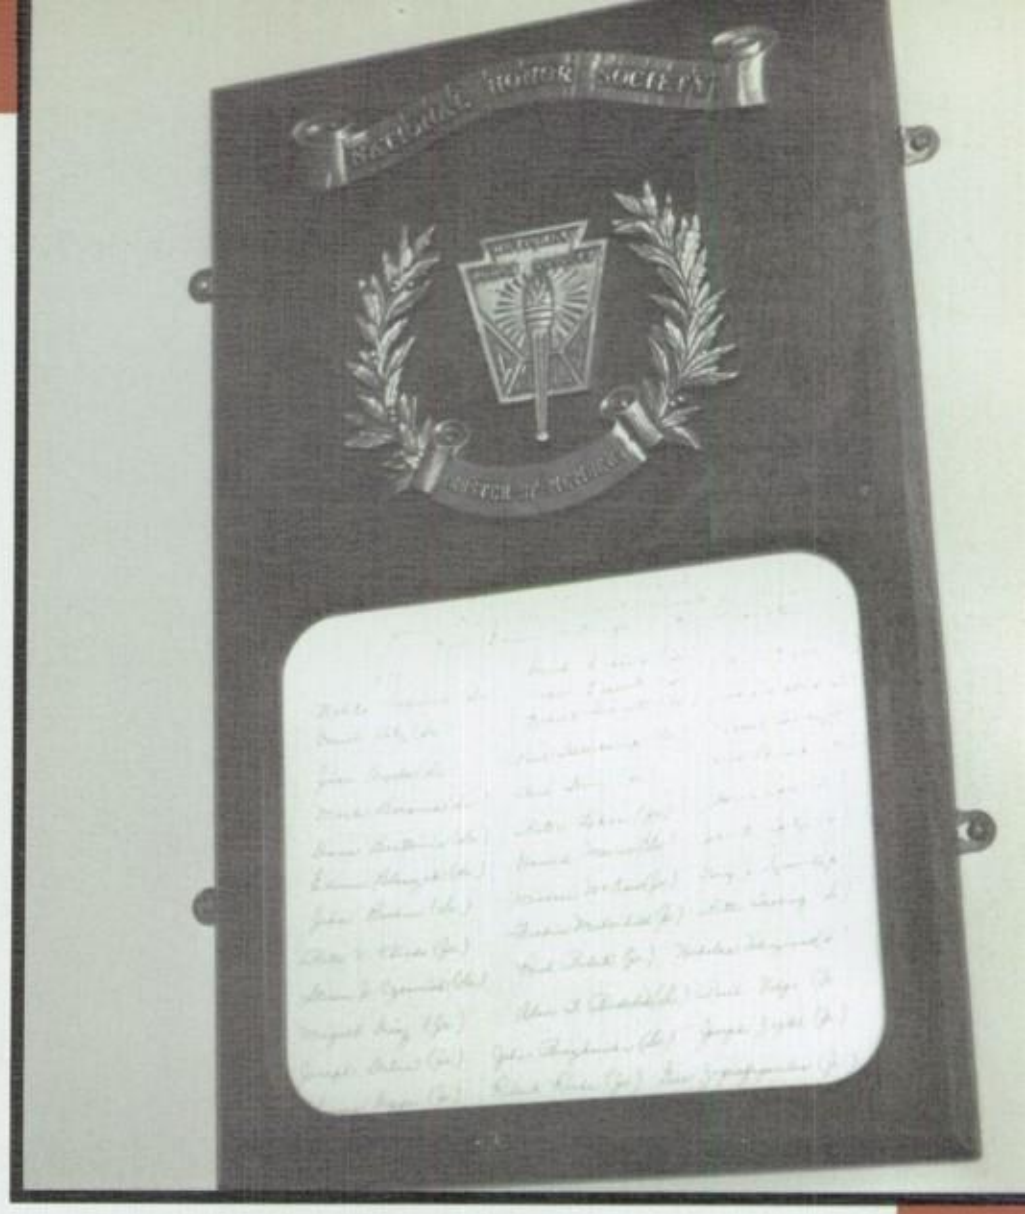
Its one academic activity is tutoring. The member and tutoree meet on a regular basis to review class material. An Annual Blood Drive is held in the Fall and Spring to cover the entire G.T. community in case of loss of blood. Members also participate in the Shamrocks Against Dystrophy Crusade in March.

The last event of the year, is the 40 hour Basketball Marathon, where all members of the N.H.S. and N.J.H.S. participate. Under the direction of seniors Bob Fedinets and John Boehm, the society raised $1612.30 through sponsors and outright donations for the American Cancer Society.

At the N.H.S. induction nine seniors and eighteen juniors were admitted. Here the inductees stand for the administration of the oath.



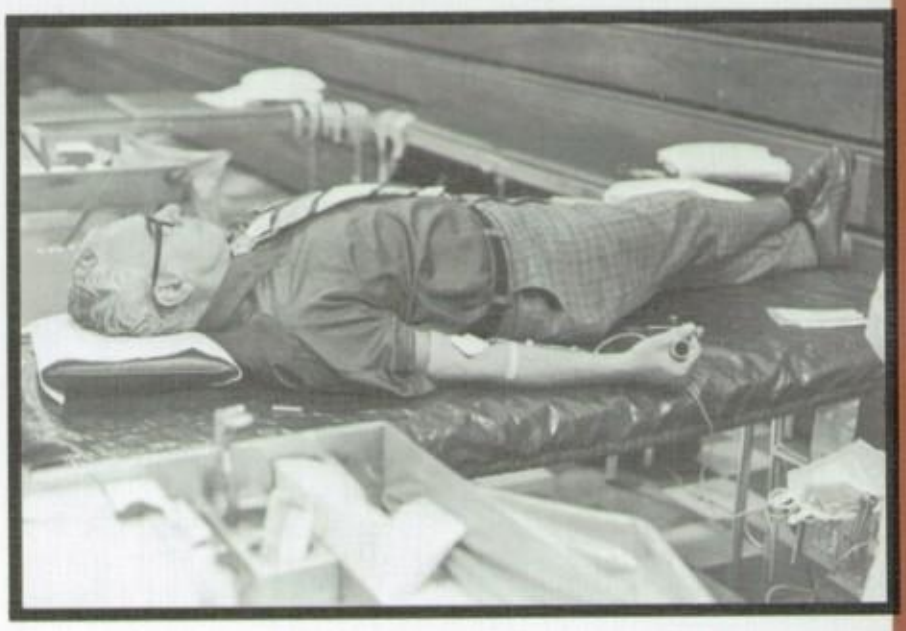
Fr. Mitringa blesses the N.H.S. pins before confirming the new members.



This plaque containing the names of members of the N.H.S. is found outside the library.

Kneeling: Pedro Exposito. Sitting: Michael McCraw, Nicholas Valenziano, Thomas Dyja, Raul Pahati, Fredric Mulvihill, Peter Chiodo. Standing: Joseph Dolan, Chul Kim, Peter Lekas, Gus Zografopoulos, John Spitza, Paul Volpe, David Eckhart, Joseph Zajdel, Miguel Diaz, Christopher Skelnik, Gary Szmurlo.

JUNIORS



Blood Drive

During the fall and spring of each school year, the National Honor Society sponsors a Blood Drive. John Puszkarski, chairman was responsible for organizing the event. During the Fall Drive on October 4th and 5th, 118 pints of blood were donated, while 20 persons deferred. This amount received was a bit of a disappointment to the society. But the actual turnout was limited due to the fact that donators had to be at least seventeen years of age.

Things improved at the Spring Blood Drive, as there were a larger amount of potential donors. As was in the past, the entire G.T. community will be covered in case of someone needing blood.

Sitting: Brian Nagorzanski, Robert Roche (president), Fr. Mitrenga (moderator), Peter Chiodo (vice-president), Steven Imparl (secretary/treasurer). Standing: Joseph McMahon, John Vispoel, Ralph Ciancio, Frank Luksa, Noel Sadural, Richard Thomas, Arnold Manaois, Thomas Ciaglo.

National Junior Honor Society

The National Junior Honor Society is based on the same four qualities that the N.H.S. strives for, that is leadership, character, service and scholarship. During the month of September, eight members of the N.J.H.S. raised $295.09 for the American Cancer through a bowling tournament.

Joseph Dolan receives his N.H.S. pin and certificate from Fr. Mitrenga, while guest speaker Professor Paul R. Messbarger, from Loyola University looks on.

Key Club

Kneeling: Frank Luksa, John Boudreau, Ed Skowronski, Dwight Johnson. Standing: Phil Siciliano, Gregg Tadda, Ben Mazzone, Rich Torrez, Mr. Maggiore, David Guyett, Pat Mazzone, Frank Pinter, David Diaz.

The Kiwanis Key Club is a service organization sponsored by the Irving Park - Kedzie Chapter of Kiwanis International. Each year, the Key Club takes an active roll in collecting for the Kiwanis Kids Day Peanut Sale. Fifty Gordon students volunteered to sell the peanuts this year. Members get a real sense of satisfaction in helping the needy. Another activity held annually is the Lions Club Candy Sale, where the funds raised help the blind.

But the one event that is sponsored solely by the Key Club is the canned food drive, in which homerooms battle it out to see which room can bring in the most cans.

CLOCKWISE:

These seniors will make any attempt to get money from this photographer.

Being a cool day, collectors don't mind giving up their morning for a good cause.

Mr. Robert Brady, freshman-sophomore dean makes his contribution to the Lions.

Most drivers can recognize a worthy organization in need of funds.

1978-1979: Look At It Again

TECH-Log Staff

The members of the staff and I would like to express our thanks to those who helped us with this book: Mr. R. A. Mitchell of the Walsworth Publishing Company; Root Photographers; and Mrs. Geraldine Boin. We would also like to thank all the students, faculty, and staff who have been so helpful to us in gathering the information needed for publication.

A yearbook is for tomorrow; this year your *TECH-Log* is arriving later than ever before. For this we are sorry, but we do not regret having taken so long to produce an *accurate and thorough* record of the school year.

That there is any yearbook at all this year is something of a miracle. The miracle workers are three dedicated graduates of the class of '79 who gave up most of their last summer vacation before college to complete this book for you. It would have been very easy for them to just let the work go for somebody else to do, but they sacrificed their time and efforts for you. I am grateful to them and I think that you, too, should be glad that Gordon Tech produces such dedication to duty as is found in Bob Fedinets, Mark Hammerschick, and especially Greg Tenczar, whose leadership made the completion of the book possible.
